5. Industrial Products	2353.74	1146.49
6. Tours & Travels	104.30	1116.71
7. Imported Sand	-	221.52
8. Pharmacy	907.69	1194.30
TOTAL	**276386.97**	**227065.31**

The Company is a Government of Karnataka undertaking, 53% of its equity shares are held by the Governor of Karnataka and 47% of equity shares are held by KSIIDC and its nominees.

2. State of Company's Affairs and Future Outlook

(i) **Beverage Division:** Government of Karnataka entrusted MSIL with the responsibility of opening 463 CL-11(C) liquor retail outlets in the year 2009. In addition to this, the Government had sanctioned another 900 CL-11(C) liquor retail outlets during the year 2016 to be opened in all Assembly Constituencies. Accordingly, the Division has taken all the necessary measures to open the sanctioned liquor retail outlets across Karnataka in coordination with the Excise Department.

A total of 434 licenses under 463 quota and 505 licenses under 900 quota have been received as on 31st March 2021. In total, 886 outlets are under operation which are spread all over Karnataka. MSIL liquor retail outlets are now spread all across the state especially in rural areas and have received overwhelming response from the public for sale of quality liquor at MRP in sealed bottles.

Subsequently, the Beverages Division has achieved a turnover of Rs. 238613.29 Lakhs against the budgeted turnover of Rs. 203060.00 lakhs in the financial year 2020-21 as compared to previous year's turnover of Rs. 190744.30 lakhs. The Division would continue to put its best efforts to open the remaining outlets under 463 and 900 quota at the earliest possible time.

(ii) **Chit Funds Division:** The Division has achieved a turnover of Rs. 26859.49 lakhs as against previous year achievement of Rs. 25305.10 lakhs. The turnover is significantly increasing year on year indicating a positive sign growth to develop Chit funds Business.

The Division is continuously making profit since last thirteen years and for every hundred rupees earning, sixty seven percent is going towards

DIRECTORS' REPORT (continued)

Fixed Expenses, Variable Expenses and taxes. Balance thirty three percent is accounted towards net profit of the Division.

To improve the efficiency of the Division focus is very important. Accordingly our vision is as follows:-

To implement user friendly Software, to expand the business by opening new branches, increase our manpower, to set a target of 2000 crores in the next few years, to extensively & effectively use digital marketing, social media to create awareness and advertise amongst the general public and to set MSIL chits as a household name across Karnataka.

(iii) **Paper Division:** Paper Division has achieved a turnover of Rs. 6926.43 lakhs during the year under review as against the Budgeted Turnover of Rs. 6152.50 lakhs by achieving 112 %. The turnover of Note Books (Vidya & Lekhak) during the financial year 2020-21 is Rs. 2055.28 lakhs (1606.61 MT's) as against the budgeted turnover Rs. 2902.50 lakhs.

Non-representation of product in the market due to acute shortage of manpower has made our task even tougher. Customized note books have become a trend of late with many institutions preferring to buy from the manufacturers directly.

The division apart from focusing on the note books and stationery, introduced computer stationery with security features under the brand name Lekhak to tap new pastures during the financial year 2017-18, and they have been successfully contributing to major share of the turnover during the ensuing years also.

To achieve the targets, the division inevitably needs the service of young and energetic field forces to recapture and strengthen the "Vidya & Lekhak" market. The division continues to depend on Government orders for their major share of turnover which needs to be addressed by redefining the sales strategies to suit the present trend in the market.

(iv) **Consumer Products Division:** The Division has achieved a turnover of Rs. 622.03 Lakhs during the year under review as against previous year turnover of Rs. 470.47 lakhs. In order to revive the business, the Division is in the process of strengthening its product line to tie-up with leading manufacturers and also exploring launching of new products to other regions. The division is implementing new products in the brand name of MSIL such as Sanitary Napkin Incinerator Machine, Sanitary Napkin Vending Machine, Water Purifier and many other products.

The division is planning to add more products in the coming days to achieve better turnover in the coming years in Delhi and Mumbai branches.

(v) **Industrial Products Division:** The division is involved in marketing of Solar Products, Furniture and Packaged Drinking Water and achieved a turnover of Rs. 2353.74 lakhs during the financial year 2020-21 as against previous year turnover of Rs. 1146.49 lakhs. The Division is planning to diversify the activities by strengthening the product line in the current year. There are also plans to revive wire and cable business apart from adding new products having good market potential, with this Industrial Products Division is expected to augment its turnover in the coming years.

(vi) **Tours and Travels Division:** As an IATA Accredited Travel Agency (IATA No.:1435229). During the year 2020-21 the main activity of the Division has continued to be booking of Air Tickets to Government officials and Govt Departments. The division has achieved turnover of Rs.104.30 Lakhs up to 31st March 2021 as against Rs. 200.00 Lakhs budget during the previous year.

Further to the above, due to pandemic Covid-19 which has maximum impact on Tour and Travel Division as well tourism Industry. Hence, we have requested to Chief Secretary Govt of Karnataka to purchase an air ticket through MSIL for their Official Air Travel needs. Also,

DIRECTORS' REPORT (continued)

Govt of Karnataka passed a circular to purchase air ticket and package tours through MSIL for the official travel needs which will boost up the activity of the T&T division and will increase the sales of the division.

Please note the company has not initiated sales promotion activities to increase the turnover of Tours & Travels Division and to create the awareness of its existence throughout the state due to the above said reason.

(vii) **Hire Purchase Division:** Since the operation of the Hire Purchase Division was discontinued during July 2008, the Division is exclusively focusing on recovery of overdues from the hirers. In the current financial year an amount of Rs. 6.75 lakhs have been recovered. The outstanding dues as on 31 March, 2021 is Rs. 303.75 lakhs as against Rs.310.50 lakhs. Though the provision is made for the entire dues, the division is making all the efforts to recover the outstanding dues.

(viii) **Pharma Division:** The Pharma Division has achieved a turnover of Rs. 907.69 lakh during the financial year 2020-21 as against previous year achievement of Rs.1194.30 lakh.

Pharma Division has opened total 87 Pradhan Mantri Bharatiya Janaushadhi Kendra (PMBJK) at Government Taluk / District Hospital across Karnataka as on March 31, 2021. At present, Pharma Division has developed independent software and not depending on BPPI software, and the same is being implemented.

(ix) **Imported Sand:** This is to inform that, in the business of Import and Trading of Natural River Sand, the company has achieved a total turnover of Rs. 381.66 lakhs for the year 2017-18 to 2019-20 for having sold a quantity of 14,759 MTs. While on the above, due to covid pandemic crisis, the interstate movement of imported sand from Krishnapatnam Port Company Ltd, (A.P) to Bangalore was restricted during the year 2020-21. Further, the sale forecast of imported sand could not materialize due to economic slowdown in the construction industry. Hence, the authorized C&F distribution agent and dealer could not remit any payment and lift the sand from the port during 2020-21. However, it is envisaged that the sale of imported sand would resume from Oct 2021 with advance remittance.

3. Change in the Nature of Business, If any:

There is no change in the nature of business of the Company.

4. Dividend

During the Financial year 2020-2021, the Company has proposed to declare @ 7.5% dividend on paid up capital payable to Government of Karnataka and KSIIDC for a sum of Rs. 320.50 lakhs if approved by the members in the ensuing Annual General Meeting.

5. Reserves

The reserve of the Company for the financial year 2020-21 and the previous year are as follows:

(Rs. in lakhs)

Particulars	2020-21	2019-20
General Reserve	19125.69	18400.26
Surplus in Statement of Profit and Loss	5445.78	2625.84

6. Share Capital

There is no change in the Share Capital of the Company.

As per Section 135 of the Companies Act, 2013, a company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on Corporate Social Responsibility (CSR) activities. The areas for CSR activities are promoting education and healthcare. A CSR Committee has been formed by the Company as per the Act. The funds were spent on these activities which are specified in Schedule VII of the Companies Act, 2013. The Details about the CSR initiatives taken during the year referred to in Section 135(4) of the Companies Act, 2013, in the prescribed format is enclosed as **Annexure III** to this report.

25. Human Resources

Your Company treats its "human resources" as one of its most important assets.

Your Company continued to give thrust for training and development of the employees. During the year 2020-21 to improve the employee's performance, the company had imparted 25 employees (Executives/ Officer and Employee) to training programme. In future, the Company has planned for more Training Programmes.

During 2020-21 (up to March 31, 2021) There are 123 employees in your Company (Executives/ Officer 49 & Staff 74) of which, one officer is on deputation at PWD.

26. Project / Estate Department

Your Company has already ventured into office-cum-warehousing infrastructure sector and the warehousing complex and office space at Mysore are earning revenue. The warehousing complex at Baikampady, Mangalore has been let out and earning revenue. The Company has taken up construction of warehouse on land measuring one acre allotted by KIADB at Kapoor Industrial Area. The construction work is in progress. During March 2020, the work has suddenly stopped due to COVID-19 pandemic and the Contractor has requested to extend the completion period. This warehouse will be utilized for housing the paper godown operations and remaining space will be rented out to generate additional revenue. The Project Division is planning to construct the office / commercial complex and warehouse at Amargol, Navanagar, Hubli. The detailed Project (DPR) Report is in process.

27. Directors' Responsibility Statement

To the best of their knowledge and belief and according to the information and explanation obtained by them, your Directors make the following statement in terms of clause (c) of sub-section (3) of Section 134 of the Companies Act, 2013, shall state that-

(a) in the preparation of the annual accounts for the financial year ended March 31, 2021, the applicable accounting standards had been followed along with proper explanation relating to material departures;

(b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at March 31, 2021 and of the profit and loss of the company for that period;

(c) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;

(d) the directors had prepared the annual accounts for the financial year ended March 31, 2021, on a going concern basis; and

(f) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

28. Transfer of Amounts to Investor Education and Protection Fund

Your Company did not have any funds lying unpaid or unclaimed for a period of seven years. Therefore, there were no funds which were required to be transferred to Investor Education and Protection Fund (IEPF).

29. Acknowledgements

Your Directors take this opportunity to express their sincere gratitude and thanks for the valuable assistance and support given by the Government of Karnataka, in particular the Commerce & Industries Department, Finance Department, M/s Karnataka State Industrial Infrastructure & Development Corporation Ltd., Principals, Suppliers, Bankers, Customers and the Society at large. The Directors also place on record the continued support extended by the Media for creating public awareness among the general

public for achieving total customers satisfaction in consonance with Quality Policy of the Company.

The assistance and co-operation provided by the Comptroller and Auditor General of India, Principal Accountant General (Civil and Commercial Audit), Karnataka, M/s Abarna & Ananthan, Statutory Auditors and Chartered Accountants, Secretarial Auditors, the Internal Auditors need special mention and the Directors acknowledge the same.

Your Directors also place on record their appreciation of the contribution made by the employees of your Company at all levels.

For and on behalf of the
Board of Directors

FORM NO. MR-3

SECRETARIAL AUDIT REPORT

For The Financial Year Ended 31st March 2020
[Pursuant To Section 2014(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
MYSORE SALES INTERNATIONAL LIMITED
Bangalore-560 052

I/We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by MYSORE SALES INTERNATIONAL LIMITED (U85110KA1966SGC001612) having its Registered Office at, MSIL House, 36, Cunningham Road, Bangalore 560052 (hereinafter called the Company).

The Company is a "Government Company" and is mainly engaged in trading activities for Beverages, Paper, Consumer Products, Industrial Products, Imported Sand and Pharma Products, besides Chit Fund Business and Tours and Travels. As per the Articles of Association, the Company is also required to comply with the directions and guidelines issued by Government of Karnataka from time to time. As per Notification NO G.S.R. ,463(E) dated 5th June 2015 by Ministry of Corporate Affairs, Government Companies are exempted from complying with some of the provisions of the Companies Act, 2013.

Secretarial Audit was conducted in a manner that provided me/us a reasonable basis for evaluating the corporate conduct/statutory compliances and expressing my opinion thereon.

Based on my/our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I/We hereby report that in my/our opinion, the Company has, during the audit period covering the financial year ended on 31st March 2021, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I/we have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2021, according to the provisions of:

a) The Companies Act, 2013 (the Act) and the Rules made thereunder;

b) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

c) The Karnataka Chit Fund Act, 1982 (We were informed that for Chit Fund Business, the Company is not required to be classified as a Non Banking Finance Company)

d) Karnataka Excise Act, 1968

e) Karnataka Shops and Commercial Establishment Act, 1961

f) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Exchange Earnings and Outflow

g) The Karnataka Tax on Professions, Trades, Callings and Employment Act, 1976

h) Industrial and Labour Laws as applicable to the Company.

I/we have also examined compliance with the applicable clauses of the following:

a. Secretarial Standards issued by The Institute of Company Secretaries of India.

b. I/we further report that, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and a Women Director as required under the proviso to Section 149 (1) and Notification No G.S.R. ,463(E) dated 5th June 2015 by Ministry of Corporate Affairs, Government of India.

c. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

d. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

e. Majority/Unanimous decision is carried through and there has been no instance of any dissent by any Members.

I/we further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable other laws, rules, regulations and guidelines.

I/we further report that during the audit period, the Company:

i. Has not issued any Public/Right/Preferential shares / debentures/sweat equity, etc.

ii. Was not required to Redeem /buy back securities.

iii. No Major decisions were taken by the members in pursuance to Section 180 of the Companies Act, 2013

iv. Has not undertaken Merger / amalgamation / reconstruction, etc.

v. Has not entered into Foreign technical collaborations

In general, it was observed that the Company, being a Government Company and subject to CAG Audit, is maintaining all the required records properly and have established systems and procedures for complying with various applicable laws.

ANNEXURE "A"

To,

The Members,

MYSORE SALES INTERNATIONAL LIMITED

Dear Sir,

Our report of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.

2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of Secretarial Records. The verification was done on test basis to ensure that correct facts are reflected in the secretarial records. We believe that the processes and practices we followed provide a reasonable basis for our opinion.

3. We have not verified the correctness and appropriateness of any of the financial records and Books of Accounts of the Company including the records pertaining to Goods and Service Taxes, Income Tax, Customs and other related enactments applicable to the Company.

4. Where ever required, the Company has represented about the compliance of laws, rules and regulations and happening of events etc as applicable from time to time. The compliance under the industry specific laws were examined based on the list of applicable laws provided by the company.

5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards are the responsibility of Management. Our examination was limited to the verification of procedures on test basis.

6. The secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the Management has conducted the affairs of the Company.

MSIL

Mysore Sales International Limited

ACCOUNTS (STANDALONE)
FOR THE YEAR ENDED
31ST MARCH 2021

REVISED INDEPENDENT AUDITOR'S REPORT

To

The Members of

Mysore Sales International Limited

Report on the Audit of the Standalone Ind AS Financial Statements

Qualified Opinion

We have audited the accompanying standalone Ind AS financial statements of Mysore Sales International Limited ("the Company"), which conprise the Balance Sheet as at 31 March 2021, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, Statements of Cash Flows and Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described under the "Basis for Qualified Opinion" section of our report the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, and profit including other comprehensive income, its cash flows and changes in equity for the year ended on that date.

We have issued an Audit Report dated 21 September 2021 ("the original report") at Bangalore on the financial statements as adopted by Board of Directors on even date. Pursuant to the observation of Comptroller and Auditor General of India under section 143(6)(a) of the Companies Act, 2013, we have revised the said Audit Report.

This revised Audit Report has no impact on the reported figures in the financial statements of the Company except for point(d) under para basis for qualified opinion. This Audit Report supersedes the original report, which has been suitably revised to consider observations of Comptroller and Auditor General of India.

Basis for Qualified Opinion:

a. Balance confirmation of trade receivables, trade payables, other payables & advance are not received from third parties. These balances are subject to confirmations and consequent adjustments, if required. In absence of balance confirmations, financial impact on standalone financial statements is not ascertainable.

b. In the absence of (i) proper records being maintained/updated and produced to us for the inventory of traded goods viz. imported river sand and pharmaceutical products; (ii) periodical physical verification and reconciliation exercise (including roll forward or roll back) being carried out by the management; (iii) obtaining confirmation of stock of imported river sand as on Balance Sheet date, from the port authorities where these stocks are stored; and (iv) confirmation on the quantity of the closing stock, we are unable to comment on the correctness of the quantity and/or value of closing inventory of imported river sand and pharmaceutical products amounting to Rs. 1372 lakhs and Rs 170.68 lakhs respectively included under Closing Stock as of 31 March 2021.

   Inventories have been write-down to the net realisable value and the resultant loss of Rs 727.71 Lakhs has been recognized in books of account. However the details of the write-down of Rs 500 lakhs in respect of sand (PY: Nil), Rs 169.48 lakhs for paper products (PY: Rs 87.09 lakhs) and Rs 58.23 lakhs (PY : Nil) in respect of pharmaceutical products has not been disclosed under Note no 9-Inventories to the Financial Statements.

c. The Company has accrued for rental Income of Rs 206.85 lakhs from Karnataka Bhavan, Mumbai and has also made an equivalent provision during the year ending March 2021. However, the details of the provision made is not disclosed under Note no 4 Investment Property.

d. The Company has not accounted for rental Income of Rs 441.14 lakhs from few tenants for the period up to 31 March 2020. Had the

Company accounted the rental income (pre-tax) in the respective years, the other equity of the company would have increased by an amount of Rs 441.14 lakhs and other financial assets of the Company would have increased by Rs 441.14 lakhs. However, the Company has accounted the same in the current year and has not corrected the error by retrospectively restating the comparative amounts for prior periods presented in which the error occurred or by restating the opening statement of financial position, where the error occurred before the earliest prior period presented, as required by Indian Accounting Standard 8 -Accounting Policies, Changes in Accounting Estimates and Errors (Ind AS 8),which is a non-compliance with Ind AS 8.

e. Under Note No 41 (i), contingent liabilities related to Guarantees / Counter Guarantees given by the Company to Banks, the date of cancellation of the Bank Guarantees given to the Income Tax department being 2 July 2021 is not specified.

f. In respect of pharma division, an amount of Rs. 12.48 lakhs, being the amount receivables towards cash sales, is reported under “Cash in Hand” in Note 11 to the financial statement. However, we were unable to obtain adequate and appropriate audit evidence except for the management’s certificate confirming the cash holding.

g. The amounts disclosed under Note no 41 (vi) related to tax demand under contingent liabilities and commitment are incorrect. The correct amounts are given in the table below:

Assessment year	Amount (in Rs. Lakhs)
2010-11	222.27
2015-16	15.87
2016-17	147.82
2017-18	91.16
TOTAL	**477.12**

h. The lease liability payments in the Cash Flow Statement are classified as “cash used in operating activities” instead of reporting under “cash used in financing activities” which is a non-compliance with accounting policy of the Company.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence, we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of matter

We draw attention to Note 42 of the accompanying standalone financial statements, which describes the management’s evaluation of impact of uncertainties related to COVID-19 and its consequential effects on the operations of the Company. Our opinion is not modified in respect of this matter.

Information Other than the Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to the Board’s Report, Corporate Governance and Shareholder’s Information but does not include the standalone Ind AS financial statements and our auditor’s report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure-A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

(c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

(d) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rule issued thereunder.

(e) The matters described in the Basis for Qualified Opinion section above, in our opinion, may not have an adverse effect on the functioning of the Company.

(f) In terms of Notification no. G.S.R. 463 (E) dated 05-06-2015 issued by Ministry of Corporate Affairs, the Provisions of Section 164(2) of the Act, 2013 in respect of disqualification of directors are not applicable to the Company.

(g) We have also audited the internal financial controls over financial reporting of the Company as at 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report as per "Annexure B" expressed a qualified opinion;

(h) Since the provisions of Section 197 of the Act does not apply to the Company, reporting requirements under Section 197(16) of the

Act is not applicable.

(i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements –Refer Note 41 to the financial statements.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

3. As required under Section 143(5) of the Act, which is applicable to the Company, findings on the directions issued by Comptroller and Auditor General of India is annexed (Refer-"Annexure-C").

"ANNEXURE – A" TO THE INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone Ind AS financial statements for the year ended 31 March 2021, we report that:

1. (a) The Company has maintained the data on fixed assets electronically.

   (b) The Company did not provide the report for having conducted the physical verification of fixed assets during the year. In the absence of a physical verification report, we are unable to comment on discrepancy if any, identified during such physical verification.

   (c) According to the information and explanations given to us and based on the examination of the conveyance deeds provided to us, we report that, the title deeds, comprising the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. In respect of immovable properties in the nature of land that have been taken on lease and disclosed as property, plant and equipment in the financial statements, the lease agreements are in the name of the Company. The title deeds in respect of the following properties were not made available to us for our verification.

Name of Property	Location of Property	Nature of Property
MSIL House-Cunningham Road	Cunningham Road, Bangalore	Free Hold
Bangalore Air Cargo Complex Survey no 53, 1 acre 32 guntas at Konena Agrahara , Varthur	Bangalore	Lease hold

2. 2. According to the information and explanations given to us, Inventory held by the Company and other stocks lying with contractors and other parties has been physically verified by the Management at reasonable intervals during the year and that no material discrepancies have been noticed on such verification except for imported river sand and pharmaceutical products. However, in absence of adequate evidence of physical verification of the inventory, we are unable to comment on the adequacy and frequency of such verification and correctness of the procedure of physical verification of inventories followed by the management.

   In absence of a formal report for the physical verification of inventories conducted by the management, we are also unable to comment on the discrepancies between physical stock and stock as per books of account, if any and adjustment thereof in the books of accounts in respect these stock items.

3. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of paragraph 3 (iii) (a) (b) and (c) of the Order are not applicable to the Company.

4. In our opinion and according to the information and explanations given to us, the Company has not given any loan or made any investments or given any guarantee or security to which the provisions of the sections 185 and 186 of the Act are applicable.

5. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at 31 March 2021 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.

6. According to the information and explanations given to us, the Company is not required to maintain Cost Records pursuant to the Companies (Cost records and Audit) Rules, 2014, as amended and prescribed by the Central Government under section 148(1) of the Act.

7. (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees State Insurance, Income Tax, Goods and Service Tax, Custom Duty, Cess and other material statutory dues applicable to it with the appropriate authorities, though there has been a slight delay in a few cases.

(b) There were no undisputed amounts payable in respect of Provident Fund, Employees State Insurance, Income Tax, Goods and Service Tax, Custom Duty, Cess and other material statutory dues in arrears as at 31 March 2021 for a period of more than six months from the date they became payable except below.

Name of the Statute	Nature of Dues	Amount (Rs in Lakhs)	Period to which the amount relates
The Building and Other Construction Workers' Welfare Cess Act, 1996	Workers' welfare cess	0.69	2013-14
The Building and Other Construction Workers' Welfare Cess Act, 1996	Workers' welfare cess	0.23	2014-15

(c) According to the information and explanations given to us, there are no dues of Income tax, Service tax, Goods and Services Tax, Value added tax / Sales tax and Cess which have not been deposited with the appropriate authorities on account of any dispute except for the below.

Sl. No.	Name of the Statute	Nature of dues	Period to which amount relates	Amt. Rs. in Lakhs.	Forum where Dispute is pending
1	Finance Act, 1994	Service Tax	2005-06 and 2006-07	48.00	Customs, Excise and Service Tax Appellate Tribunal

5	Finance Act, 1994	Service Tax	2013-14 to 2014-15	48.00	Customs, Excise and Service Tax Appellate Tribunal
6	Finance Act, 1994	Service Tax	2015-16	72.00	Customs, Excise and Service Tax Appellate Tribunal
7	Finance Act, 1994	Service Tax	2016-17	23.00	Customs, Excise and Service Tax Appellate Tribunal
8	Income Tax Act, 1961	Tax collection at source	1995-96 to 2000-01	2005.00	Supreme Court
		Tax collection at source	2001-02 to 2003-04	1017.00	High Court, Bengaluru
		Tax collection at source	1994-95 to 1999-2000	3067.00	Supreme Court
9	Income Tax Act, 1961	Disallowance under Income Tax Act	AY 2010-11	222.27	Commissioner of Income Tax (Appeals)
10	Income Tax Act, 1961	Disallowance under Income Tax Act	AY 2014-15	--	Income Tax Appellate Tribunal, Bengaluru

11	Income Tax Act, 1961	Disallowance under Income Tax Act	AY 2015-16	15.87	Commissioner of Income Tax (Appeals)
12	Income Tax Act, 1961	Disallowance under Income Tax Act	AY 2016-17	147.82	Commissioner of Income Tax (Appeals)
13	Income Tax Act, 1961	Disallowance under Income Tax Act	AY 2017-18	91.16	Commissioner of Income Tax (Appeals)

8. The Company has not taken any loans or borrowings from financial institutions, banks and government or has not issued any debentures. Hence, reporting under clause 3 (viii) of the Order is not applicable to the Company.

9. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (ix) of the Order is not applicable.

10. According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.

11. In terms of Notification no. G.S.R. 463(E) dt. 05-06-2015 issued by the Ministry of Corporate Affairs, the provisions of section 197 of the Companies Act, 2013 relating to managerial remuneration are not applicable to the Company.

12. The Company is not a Nidhi company and therefore the provisions of Clause 3 (xii) of the Order is not applicable to the Company.

13. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone Ind AS financial statements as required by the applicable accounting standards.

14. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.

15. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.

16. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934

"ANNEXURE – B" TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Mysore Sales International Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that: -

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally

accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and

3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weakness have been identified as at 31 March 2021

a) The Company did not have an appropriate internal control system for obtaining external balance confirmation on a periodic basis. This could potentially result in inaccurate assets and liabilities being disclosed in the books of accounts and may have an impact on financial results of the Company.

b) The title deeds of few immovable properties are not available with the Company.

c) The company did not have an appropriate internal control system related to maintenance of its fixed assets. The physical verification of the fixed assets is not carried out periodically. Hence non availability of assets if any, were not identified. The absence of program of verification of fixed asset will potentially result in incorrect depreciation provision and assessment of impairment.

d) The Company did not have an integrated ERP system encompassing all its operations, as the accounting of beverage, chit and paper divisions are made in a standalone soft ware. The trail balance from these softwares are consolidated with the trail balances of the other divisions in tally. To this extent, there is a manual intervention in the flow of data.

e) The accounting software used by the chit division is neither supported by the vendor nor company has requisite technically skilled staff to mitigate the risk of technical issues if any, arises in future.

f) The revenue in respect of the completed tours is not recognized as and when it accrues by the company in the Tours and Travel Division. This will result in under statement of income in books of account.

g) The procedure adopted for purchase of various property plant and equipment is not in compliance with the general purchase procedure for purchase above Rs.5.00 lakh. This could potentially result in irregularities in acquisition of property plant and equipment.

h) The company did not have appropriate internal control system towards periodic reconciliation of grants received from government agency and for submission of grants for the new pharma outlets opened. This will result in inaccurate disclosure of grant receivable in the books of accounts.

i) The company did not have an adequate system for physical verification, valuation of stock, and identification of non-moving/slow moving stock. Hence the diminution in value of stock is not dealt with. This could potentially result in overstatement of inventory in books of accounts.

j) The Company has not provided the Form X1(Receipts and expenditure account and Statement showing the assets and liabilities of the individual Chit groups) filed with the Registrar, as required under Rule 20 (2) of Chit Funds (Karnataka) Rules, 1983.

k) The process in respect of approval of major repair and renovation work undertaken by the Company is not uniformly complied with the Delegation of Authority (DOA) approved by the Board.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion, except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the 31 March 2021 standalone financial statements of the company and the material weakness has affected our opinion on the standalone financial statements of the company and we have issued a qualified opinion on the standalone financial statements.

"ANNEXURE – C" TO THE INDEPENDENT AUDITORS' REPORT

Report under Section 143(5) of the Companies Act, 2013 relating to the directions issued by the Comptroller and Auditor General of India

Sl. No.	Directions	Compliance
1	Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.	Yes. The Company has a system in place to process all the accounting transactions through IT system. The reporting system used by the Company is Tally ERP. However different accounting software that are not integrated to the Tally ERP (Tally) are being used by various departments. The data flow from the stand-alone software to the main accounting and reporting system ie Tally is not seamless. The departments extract the Trial Balance from their software and share it with the Accounts Department. These Trail balances are input in Tally manually. The basic data resides with the user department. In the Chit operations the operations of 2 branches are maintained manually. The trial balance of the above branches are consolidated with the trial balance of the other branches manually.
2	Whether there is any restructuring of an existing loan or cases of waiver/write off to debts/loans/ interest etc. made by a lender to the company due to the company's inability to repay the loan? If yes, the financial impact may be stated. Whether such case are properly accounted for? (In case, lender is a Government Company, then this direction is also applicable for statutory auditor of lender company).	No loan is taken by the entity.
3	Whether funds (grants/subsidy etc) received/ receivable for specific schemes from Central/ State agencies were properly accounted for/ utilized as per its term and conditions? List the cases of deviation.	There are no deviations. Funds are received for the newly opened Pharmacy outlets towards fittings, computer etc. The Company incurs the expenditure initially and then lodge the claims with the Central agency – BPPI. An amount of Rs 66.06 lakhs reported under the Government grant receivable is subject to reconciliation.
Additional Company Specific Directions:		
(a)	Whether the auditor has verified all the items with regards to Cash and Bank balances enclosed at Annexure-I. In case of specific non-compliances, whether the same has been reported?	Refer Annexure-I. No specific non-compliances were observed during the course of the audit.

(b)	Whether the Company has any unexplained balances and accounts operated under suspense head.	No. We have not noticed such instances during the course of the audit
(c)	Whether the Company has an effective system for recovery of dues in respect of its sales activities and the dues outstanding and recoveries there against have been properly recorded in the books of accounts?	(a) 95.04% of Sales is on cash basis (Beverages Division). (b) The Company has an effective system of recovery of its dues in respect of the Chit activities. (c) The recovery from the Debtors in Paper division is not done within the credit period stipulated in the Invoice in most of the cases. Out of the total recoverable of Rs. 3,449.92 lakhs (Gross), Rs. 808.83 lakhs are outstanding for more than 6 months. Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management the debtors have been properly recorded in the books of accounts. However, balance confirmation has not been obtained from the debtors.
(d)	Whether the Company has effective system for physical verification, valuation of stock, treatment of non-moving items and accounting the effect of shortage/ excess noticed during physical verification.	The system followed for physical verification, valuation of stock, treatment of non-moving items is not effective. Non moving items are not identified and the resultant diminution in value is not accounted properly. Eg: In the Sand Division, there has been no movement in the stock for the last 16 months. Out of the total stock imported of 1,03,872 MT in 2017-18 only 14,759 MTs representing 14.21% of the total purchases has been sold till date. The Company does not have a procedure providing impairment for non-moving, slow moving items. However, the management has decided to provide for an impairment of Rs 5 crores on an adhoc basis. Valuation of stock is not reflected properly in the system except in Beverages Division, since stock is not accounted through stock register.

MYSORE SALES INTERNATIONAL LTDBENGALURU

Replies to Qualification in statutory auditor's report for the year 2020-2021
(Refer Basis for qualified opinion - audit report page No 1& 2)

Audit Query	Company's Reply
Balance confirmation of trade , trade payable , other payables & advance are not received from third parties. These balances are subject to confirmations and consequent adjustments, it required. In absence of balance confirmations, financial impact on standalone financials statement is not ascertainable. a. (1) In the absence of (i) proper records being maintained/ updated and produced to us for the inventory of traded goods viz. imported river sand and pharmaceutical products: (ii) periodical physical verification and reconciliation exercise (including roll forwarder roll back) being carried out by the management; (iii) obtaining confirmation of stock of imported river sand as on Balance Sheet date, from the port authorities where these stocks are stored; and (iv) confirmation on the quantity of the closing stock,we are unable to comment on the correctness of the quantity and/or value of closing inventory of imported river sand and pharmaceutical products amounting to Rs. 1872 lakhs andRs. 228.91 lakhs respectively included under Closing Stocks as of 31st March 2021. (2) Inventories have been written down to the net realisable value and the resultant loss of Rs. 727.71 has been recognized in the books of account. However, the details of the written down of Rs. 500 lakhs in respect of sand (PY Nil), Rs. 82.39 lakhs for paper products (PY Rs. 87.09 lakhs) and Rs. 58.23 lakhs (PY Nil) in respect of pharmaceutical products has not been disclosed under Note No. 9 Inventories to the Financial Statements- Provision for Non-moving stock.	The Company has sent the balance confirmation as on 31st March 2021 in the accounts of Sundry creditors, sundry debtors, and business associates including joint ventures and advances /deposits for which we have received the confirmation partly. The internal auditors were unable to carry out the auditing of Pharmacy outlets as on 31st March 2021 due to lockdown on account of COVID 19 and also, the software provided by BPPI is unable to generate actual closing stock including expiry stock details. The division is in the process of developing new software and the issue will be set right during the current financial year (2021-22). With regard to sand the division has sold only 10,000 MT during the year 2019-20 out of total quantity of 99119.41 MT . The authorized surveyors at Krishnapatnam Port M/s Equinox Marinetek Services India Private Limited have conducted volumetric survey to ascertain the physical stock of sand during June 2021 and confirmed that the current stocks is 90,283 MTs (approximately +-5%) available at the port.
b. The Company has accrued for rental Income of Rs. 206.85 lakhs from Karnataka Bhavan, Mumbai and has also made an equivalent provision during the year ending March 2021. The details of the provision made are not disclosed under Not No. 4 Investment Property.	This is only a disclosure observation and the same will be suitably addressed in the next year.
c. The Company has not accounted for rental Income of rs. 441.14 lakhs from few tenants for the period up to 31st March 2020. However, the company has accounted the same in the current year and has not corrected. Had the company accounted the rental income (pre-tax) in the respective years, the other equity of the Company would have increased by Rs. 441.14 lakhs and other financial assets of the Company would have increased by Rs. 441.14 lakhs. However, the Company has not corrected error by retrospectively restating the comparative amount for prior periods presented in which the error occurred or by restating the opening statement of financial position, where the error occurred before the earliest prior period presented as required by Indian Accounting Standard 8 – Accounting policies, Changes in Accounting Estimates and Errors (Ind AS 8), which is in our opinion non-compliance with Ind AS 8.	This is only a disclosure observation and the same will be suitably addressed in the next year.

<table>
<tr>
<td>d. Under Note No. 41(i), Contingent liabilities related to Guarantees/ Counter Guarantees given by the Company to Banks, the data of cancellation of Bank Guarantee given to the Income Tax departments being 2nd July 2021 is not reported.</td>
<td>This will be corrected in the next financial year.</td>
</tr>
<tr>
<td>e. In respect of Pharma division, an amount of Rs. 12.48 lakhs, being the cash sales, is accounted under “ Cash in Hand” in Note 11 to the financial statement. However, we were unable to obtain adequate and appropriate audit evidence about the accuracy of the cash in hand except management’s certificate confirming the cash holding.</td>
<td>We will ensure that the cash collected during the month of March is accounted correctly.</td>
</tr>

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF MYSORE SALES INTERNATIONAL LIMITED, BANGALORE FOR THE YEAR ENDED 31 MARCH 2021

The preparation of financial statements of **Mysore Sales International Limited, Bengaluru** for the year ended **31st March 2021** in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act is responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Revised Audit Report dated **3 December 2021** which superseades their earlier Audit Report dated **21 September 2021.**

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of **Mysore Sales International Limited, Bengaluru** for the year ended **31st March 2021** under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

In view of the revision made in the **Statutory Auditor's Report,** to give effect to some of my audit observations raised during supplementary audit, I have no further comments to offer upon or supplement to the statutory auditor's report under section 143(6)(b) of the Act.

MYSORE SALES INTERNATIONAL LIMITED

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION

1. Company overview and significant accounting policies

1.1 Company overview

Mysore Sales International Limited is a premier Government of Karnataka Undertaking, dealing in various products & services. It was established in 1966 as a trading house. The registered office is located at Bangalore, Karnataka, India. Since then, the company has grown primarily as a marketing force with a national presence. It is having a wide network of offices all over Karnataka as well as in some major metros across the country. It markets products and services such as Indian made foreign liquor, chit operations, paper products, imported sand, Pharmaceuticals, Industrial and Consumer products.

1.2 Basis of preparation of financial statements

(i) Statement of compliance

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind-AS) as notified under section 133 of the Companies Act 2013 read with the Companies (Indian Accounting Standards) Rules 2015 by Ministry of Corporate Affairs ('MCA'). The Company has uniformly applied the accounting policies during the periods presented.

The financial statements for the year ended 31 March 2021 were authorized and approved for issue by the Board of Directors on21 September 2021.

(ii) Basis of preparation of financial statements

The financial statements have been prepared on a going concern basis under the historical cost basis except for certain financial assets and liabilities which are measured at fair value.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes in to account the characteristics of the asset or liability, if the market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share based payment transactions that are within the scope of Ind AS 102, 'Share-based Payment', leasing transactions that are within the scope of Ind AS 17, 'Leases', and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 'Inventories', or value in use in Ind AS 36 'Impairment of assets'.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data rely as little as possible on entity specific estimates.

Level 3: Inputs for the assets or liabilities that are not based on the observable marked data (unobservable inputs)

(iii) Use of estimates

The preparation of financial statements is in conformity with generally accepted accounting principles which require the management of the Company to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future period. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Application of accounting policies that require significant accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in note 1.3 and 1.4.

(iv) New Accounting Standards and amendments not yet adopted by the Company

MCA issued notifications dated 24th March, 2021 to amend Schedule III to the Companies Act, 2013 to enhance the disclosures required to be made by the Company in its financial statements. These amendments are applicable to the Company for the financial year starting 1st April, 2021. The Company is currently evaluating the impact of these amendment on the financial statements.

(v) Significant accounting policies

a. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

(i) An asset is classified as current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

(ii) All other assets are classified as non-current.

(iii) A liability is classified as current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

(iv) All other liabilities are classified as non-current.

(v) Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Based on the nature of service and the time between the acquisition of assets for development and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as one year for the purpose of current and non-current classification of assets and liabilities except for the assets and liabilities relating to Chit business.The operating cycle for the Chit business is dependent on the Chit tenor. A tenor of 40 months is considered to be the operating cycle for the Chit Business being the most popular chit tenor.

b. Foreign currency transactions

Functional and presentation currency

The financial statements are presented in Indian Rupee ('Rs') which is also the functional and presentation currency of the Company.

(a) Initial recognition

Foreign currency transactions are recorded in the functional currency, by applying to the exchange rate between the functional currency and the foreign currency at the date of the transaction.

b) Conversion

Foreign currency monetary items are converted to functional currency using the closing rate.

Non-monetary items denominated in a foreign currency which are carried at

- historical cost are reported using the exchange rate at the date of the transaction and
- at fair value or any other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

c. Revenue recognition

The Company has applied the following accounting policy in the preparation of its standalone financial statements:

Revenue from contracts with customers

The Company recognises revenue from contracts with customers based on a five step model as set out in IndAs 115:

Step 1. - Identify the contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria that must be met for every contract.

Step 2. - Identify the performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3.- Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4. - Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company will allocate the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5. - Recognise revenue when (or as) the entity satisfies a performance obligation.

The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

1. The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or
2. The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
3. The Company's performance does not create an asset with an alternative use to the Company and the entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

When the Company satisfies a performance obligation by delivering the promised goods or services it creates a contract asset based on the amount of consideration earned by the performance. Where the amount of consideration received from a customer exceeds the amount of revenue recognised this gives rise to a contract liability.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes and duty.

Rental income

Rental income from operating leases. – refer to "k" - Leases

Dividend income

Income from dividends arerecognised when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest is accrued on time proportion basis, byreference to the principle outstanding applying effective interest rate.

Interest on delayed receipts, cancellation/ forfeiture income and transfer fees from customers are recognised on accrual basis except in cases where ultimate collection is considered doubtful and in the instances listed below:

Revenue Recognition on cash basis

Revenue is recognized on accrual basis except for the following items where it is accounted for on cash basis since the realisability is uncertain:-

i. Chit Operations:All streams of revenue from Chit operations is on cash basis.

ii. Duty credit / exemption under various promotional schemes of Foreign Trade Policy in force, Tax credit, and refund of income-tax/service tax / sales-tax /VAT/GST and interest thereon etc.

iii. Interest on overdue recoverable.

iv. Liquidated damages on suppliers/underwriters.

Other items of income are recognized as and when the right to receive arises.

d. Inventories

Inventories are valued at the lower of cost and net realisable value except scrap and by products which are valued at net realisable value.Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Inventories are valued as under:

i. Raw materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis in case of Paper Division

ii. Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on weighted average basis.Raw materials and consumables issued to convertors are considered as Finished Goods only at the time of receipt of notebooks from the convertors in the case of Paper Division.

iii. Freight inward is not considered for valuation of stock of liquor and is charged to the profit & loss account.

iv. Obsolete inventories, slow moving and defective inventories are identified and written down to net realisable value.

e. Property, Plant and Equipment (PPE) Recognition and measurement

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset. General and specific borrowing costs directly attributable to the construction of a qualifying asset are capitalized as part of the cost.

Depreciation and useful lives

Depreciation/amortization on property, plant & equipment is provided on the straight-line method, based on the useful life of asset specified in Schedule II to the Companies Act, 2013. The Management estimates the useful lives of the assets as per the indicative useful life prescribed in Schedule II to the Companies Act, 2013. Residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

Particulars	Life in years
Building	60
Fire fighting equipment	10
Electrical equipment	10
Furniture and fixtures	10
Vehicles	8
Furniture and fixtures- Liquor	5
Handling equipment	5
Weighing Machines	5
Office equipment	5
Computers	3
Leasehold assets	Over the primary lease period- except for land

Depreciation on fixed assets added/ disposed off/ discarded during the year has been provided on prorata basis with reference to the date of addition/ disposal/ discarding.

The Company, based on technical assessment made by technical expert and management estimate, depreciates furniture & fixture at Liquor outlets over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

De-recognition

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognized.

f. Intangible assets

Recognition and measurement

Intangible assets (software) acquired separately are measured at their cost of acquisition.The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Following initial recognition, intangible assets are carried at cost less accumulated amortization and impairment losses, if any.

The cost of capitalized software is amortized over a period of 6 years from the date of its acquisition on a straight line basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.

The residual values, useful lives and methods of amortization of intangible assets are reviewed at each reporting date end and adjusted prospectively, if appropriate.

g. Capital Work in Progress

Capital work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the date of use of asset. Capital advances given towards purchase/ acquisition of PPE outstanding at each balance sheet date are disclosed separately as Other Non-Current Assets.

h. Investment Property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. All of the Company's property interests held under operating leases to earn rentals or for capital appreciation purposes are accounted for as investment properties. After initial recognition, the company measures investment property at cost.

Investment properties are derecognized upon disposal or when the investment properties are permanently withdrawn from use and no future economic benefits are expected post disposal. Any gain or loss arising on de recognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the profit or loss in the period in which the property is derecognized.

Investment properties are depreciated in accordance to the class of asset that it belongs to and the life of the asset is as conceived for the same class of asset of the Company. Depreciation/amortization is provided on the straight-line method, based on the useful life of asset specified in Schedule II to the Companies Act, 2013. The Management estimates the useful lives of the assets as per the indicative useful life prescribed in Schedule II to the Companies Act, 2013. Residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

The useful life of the Buildings is estimated to be 60 years.

The fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer.

i. Finance cost

Finance cost comprises of Interest cost on lease and other financial liabilities, bank charges and guarantee commission. All finance costs are recognized in the Statement of Profit and Loss in the period in which they are incurred.

j. Cash and cash equivalents

Cash and cash equivalent in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

k. Leases

The Company evaluates each contract or arrangement, whether it qualifies as lease as defined under Ind AS 116.

Company as a lessee

The Company enters into an arrangement for lease of shops and offices. Such arrangements are generally for a fixed period but may have extension or termination options. The Company assesses, whether the contract is, or contains, a lease, at its inception. A contract is, or contains, a lease if the contract conveys the right to –

a) control the use of an identified asset,

b) obtain substantially all the economic benefits from use of the identified asset, and

c) direct the use of the identified asset

The Company determines the lease term as the non-cancellable period of a lease, together with periods covered by an option to extend the lease, where the Company is reasonably certain to exercise that option.

The Company at the commencement of the lease contract recognizes a Right-of-Use (RoU) asset at cost and corresponding lease liability, except for leases with term of less than twelve months (short term leases) and low-value assets. For these short term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the lease term.

The cost of the right-of-use asset comprises the amount of the initial measurement of the lease liability, any lease payments made at or before the inception date of the lease, plus any initial direct costs, less any lease incentives received.Subsequently, the right-of-use assets are measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets are depreciated using thestraight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful life of right-of-use assets are determined on the same basis as those of property, plant and equipment.

The Company applies Ind AS 36 to determine whether an RoU asset is impaired and accounts for any identified impairment loss as described in the impairment of non-financial assets below.

For lease liabilities at the commencement of the lease, the Company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined, if that rate is not readily determined, the lease payments are discounted using the incremental borrowing rate that the Company would have to pay to borrow funds, including the consideration of factors such as the nature of the asset and location, collateral, market terms and conditions, as applicable in a similar economic environment.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made.

The Company recognizes the amount of the re-measurement of lease liability as an adjustment to the right-of-use assets. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognizes any remaining amount of there-measurement in statement of profit and loss.

Lease liability payments are classified as “cash used in financing activities” in the statement of cash flows.

The Company as a lessor

Leases under which the Company is a lessor are classified as finance or operating leases. Lease contracts where all the risks and rewards are substantially transferred to the lessee, the lease contracts are classified as finance leases. All other leases are classified as operating leases.

For leases under which the Company is an intermediate lessor, the Company accounts for the head-lease and the sub-lease as two separate contracts. The sub-lease is further classified either as a finance lease or an operating lease by reference to the RoU asset arising from the head-lease.

I. Employee benefits

Defined contribution plan

The Company’s defined contribution plans are Employees’ Provident Fund (under the provisions of Employees Provident Funds and Miscellaneous Provisions Act, 1952) ESI (under the provisions of Employees State Insurance Act, 1948) and Superannuation. The company has no further obligations beyond making the company’s contributions. The company’s contribution to Provident Fund, ESI and Superannuation are made at prescribed rates and are charged to Statement of Profit and Loss. The Superannuation asset are managed by a Trust which invests with LIC.

Death Relief Fund

The Company’s liability towards Death Relief Fund is accounted on the basis of actuarial valuation as at the reporting date.

Defined benefit plan

The Company has a defined benefit plan for payment of Gratuity as per the Gratuity Act 1972. The Gratuity Plan provides a lump sum payment to employees who have completed five years or more of service at retirement, disability or termination of employment, being an amount based on the respective employee’s last drawn salary and the number of years of employment with the Company. The company makes contribution to the MSIL Employee Gratuity Fund Trust managed by LIC.

The Company’s liability is actuarially determined (using the Projected Unit Credit method) at the end of each reporting period. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets if any. This cost is included in employee benefit expense in the statement of profit and loss

The liability or asset recognised in the balance sheet in respect of gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets if any.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income and are never reclassified to profit or loss. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in the statement of profit and loss as past service cost.

Earned Leave

As per policy of the Company, employees can carry forward unutilized accrued leave and utilize it in next service period or receive cash compensation. The compensated absences fall due wholly within twelve months after the end of the period in which the employees render the related service and are also expected to be utilized wholly within twelve months after the end of such period, the benefit is classified as a current employee benefit. The Company records an obligation for such compensated absences in the year in which the employee renders the services that increase his entitlement.

The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the reporting period. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each reporting period.

Other short-term benefits

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, estimated bonus, ex-gratia and short term compensated absences are recognised in the period in which the employee renders the related service.

Short-term employee benefits comprising employee costs including performance bonus is recognized in the statement of profit and loss on the basis of the amount paid or payable for the period during which services are rendered by the employee.

m. Tax expense

Income taxes

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current taxes

Current tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act,1961 and other applicable tax laws in the countries where the Company operates and generates taxable income.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and deferred tax for the period

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

n. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

(i) The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and

(ii) The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

o. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Present obligations arising under onerous contracts are recognised and measured as provisions. An onerous contract is considered to exist where the Company has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received from the contract.

Decommissioning costs are measured as the best estimate of the expenditure to settle the obligation or to transfer the obligation to a third party. Provisions for decommissioning obligations are required to be recognized at the inception of the arrangement. The estimated costs to be incurred at the end of the arrangement are discounted to its present value using the market rate of return.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent Liability is disclosed in the case of

- a present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation.
- a present obligation arising from a past event, when a reliable estimate of the obligation cannot be made, and
- a possible obligation arising from past events where the probability of outflow of resources is not remote.

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

p. Financial instruments

Financial assets

Initial recognition and measurement

All financial assets are recognized initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

Subsequent measurement

Debt Instruments

Debt instruments at amortized cost

A 'Debt instruments' is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the statement of profit and loss.

Debt Instruments at fair value through other comprehensive income (FVTOCI)

A debt instrument is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Fair value movements are recognized in other comprehensive income (OCI).

Debt instruments at Fair value through profit and loss (FVTPL)

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

Equity investments

All equity investments in the scope of Ind AS 109,' Financial Instruments', are measured at fair value. Equity instruments which are held for trading and contingent consideration has been recognized by an acquirer in a business combination to which Ind AS 103,' Business Combinations' applies, are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in OCI with subsequent changes in the fair value.

The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, impairment gains or losses and foreign exchange gains and losses, are recognized in the OCI.

There is no recycling of the amounts from OCI to the statement of profit and loss, even on sale of investment.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

De-recognition of financial assets

A financial asset is primarily de-recognized when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss.

q. Financial liabilities

Initial recognition

All financial liabilities are recognized initially at fair value. Transaction costs that are directly attributable to the issue of financial liabilities, that are not at fair value through profit or loss (FVPL), are added to the fair value on initial recognition.

Subsequent measurement

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit or loss. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value due to the short maturity of these instruments.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

r. Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the twelve month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in the statement of profit and loss.

s. Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the statement of profit and loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the statement of profit and loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

t. Segment reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

Segment accounting policies are in line with the accounting policies of the Company. In addition, the following specific accounting policies have been followed for segment reporting.

(i) Segment revenue includes sales and other income directly identifiable with / allocable to the segment including inter-segment revenue.

(ii) Expenses that are directly identifiable with / allocable to segments are considered for determining the Segment Result. The expenses, which relate to the Company as a whole and not allocable to segments, are included under "Other/ unallocable expenditure".

(iii) Income that relates to the Company as a whole and not allocable to segments is included in "Unallocable income".

(iv) Segment result includes margins on inter-segment and sales which are reduced in arriving at the profit of the Company.

(v) Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable assets and liabilities represent the assets and liabilities that relate to the Company as a whole and not allocable to any segment.

(vi) Performance is measured based on segment profit (before tax), as included in the internal management reports that are reviewed by the Company's MD. Segment profit is used to measure performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries.

u. Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash from operating, investing and financing activities of the Company are segregated.

v. Events after Reporting Date

Assets and liabilities are adjusted for events occurring after the reporting period that provides additional evidence to assist the estimation of amounts relating to conditions existing at the end of the reporting period.

Dividends declared by the Company after the reporting period are not recognized as liability at the end of the reporting period. Dividends declared after the reporting period but before the issue of financial statements are not recognized as liability since no obligation exists on the balance sheet date. Such dividends are disclosed in the notes to the financial statements.

w. Exceptional Items

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the Company. They are material items of income or expense that have been shown separately due to the significance of their nature or amount.

Errors of material amount relating to prior period(s) are disclosed by a note with nature of prior period errors, amount of correction of each such prior period presented retrospectively, to the extent practicable along with change in basic and diluted earnings per share.

However, where retrospective restatement is not practicable for a particular period then the circumstances that lead to the existence of that condition and the description of how and from where the error is corrected are disclosed in Notes to Accounts.

x. Non-Current Assets Held For Sale And Discontinued Operations

An entity shall classify a non-current asset (or disposal group) as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such assets and its sale is highly probable. Management must be committed to sale which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets classified as held for sale are presented separately and measured at the lower of their carrying amounts immediately prior to their classification as held for sale and their fair value less costs to sell. However, some held for sale assets such as financial assets, assets arising from employee benefits and deferred tax assets, continue to be measured in accordance with the Company's relevant accounting policy for those assets. Once classified as held for sale, the assets are not subject to depreciation or amortisation.

A discontinued operation is a component of the Company's business that represents a separate line of business that has been disposed off or is held for sale, or is a subsidiary acquired exclusively with a view to resale. Classification as a discontinued operation occurs upon the earlier of disposal or when the operation meets the criteria to be classified as held for sale. The Company has classified its hire purchase business as discontinued operations. Interest income from hire purchase business is accounted on cash basis.

y. Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

When the grant relates to an asset, it is presented by deducting the grant from the carrying amount of the asset. When the Company receives grants of non-monetary assets, it is treated at a nominal value.

When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

1.3 Significant estimates in applying accounting policies

a. Revenue -The Company has applied judgements as detailed in note 1.2(v)(c) that significantly affect the determination of the amount and timing of revenue from contracts with customers.

b. Net realisable value of inventory - The determination of net realisable value of inventory involves estimates based on prevailing market conditions, current prices and expected date of commencement and completion of the project, the estimated future selling price, cost to complete projects and selling cost.

c. Recoverability of advances/receivables - At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

d. Useful lives of depreciable/amortizable assets – Management reviews its estimate of the useful lives of depreciable/amortizable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain software and other assets.

e. Defined Benefit Obligation (DBO) – Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

f. Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

g. Expected credit losses on financial assets (chit fund business) – The impairment provisions of financial assets are based on assumptions about risk of default and expected timing of collection.

The Company uses judgment in making these assumptions and selecting the inputs to the expected credit loss calculation based on the Company's history of collections, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

h. Leases - Ind AS 116 defines a lease term as the noncancellable period for which the lessee has the right to use an underlying asset including optional periods, when an entity is reasonably certain to exercise an option to extend (or not to terminate) a lease. The Company considers all relevant facts and circumstances that create an economic incentive for the lessee to exercise the option when determining the lease term. The option to extend the lease term is included in the lease term, if it is reasonably certain that the lessee would exercise the option. The Company reassesses the option when significant events or changes in circumstances occur that are within the control of the lessee.

1.4 Critical judgements in applying accounting policies

a. Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties in various tax jurisdictions.

b. Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets. In assessing impairment, management estimates the recoverable amount of each asset or cash generating unit based on expected future cash flows and uses a discounting rate to arrive at net present value.Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate.

c. Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding warranties and guarantees. However, the actual future outcome may be different from this judgement.

d. Contingent liabilities -The Company uses significant judgement to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are notrecognised nor disclosed in the financial statements.

The company is in the process of getting the investment property valued.

The Company has no restrictions on the realisability of its investment properties and no contractual obligations to purchase or develop investment properties or for major repairs, maintenance and enhancements.

Karnataka Bhavan, Mumbai

City & Industries Development Corporation of Maharashtra (CIDCO) has entered into a deed of 'Agreement to Lease' with Government of Karnataka (GoK) for a plot of land measuring 2520 sq meters in Navi Mumbai to enter and occupy the land on the condition that the licensee (GoK) construct a State Guest House.

In turn on 1 October 2008 GoK has entered into an agreement with MSIL for construction of Karnataka Bhavan on Build Own Operate Transfer (BOOT) basis effective for 30 years (extendable on mutual consent) from the date of completion of the building as per the terms and conditions specified therein.

The amount of Rs 3410.25 lakhs incurred towards construction of Karnataka Bhawan in Navi Mumbai was capitalized based on the completion certificate received from M/s Project Management Service during the year ended 31 March 2018.

During the year ended 31 March 2020 an amount of Rs 55.59 lakhs was capitalised being the final bills submitted by the agencies associated with the project.

The Company had entered on 27 September 2018 into a lease rental agreement with a service provider to construct the necessary infrastructure and to commence boarding & lodging operations. No rental income has been accounted till 31 March 2021

Bangalore Air Cargo Complex

Pending execution of lease cum sale agreement with Karnataka Industrial Area Development Board('KIADB') in respect of a land allotted near Bangalore Air Cargo Complex (BACC), the Company has capitalised the payments made towards lease hold land amounting to Rs.52,11,063/- based on the possession certificate issued by KIADB.

Nature of reserves

General reserve

The General reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the General reserve will not be reclassified subsequently to statement of profit and loss.

Attrition Rate (100 bps movement)	0.39	(0.41)	0.43	(0.45)

Description of risk exposures	
Valuations are performed on certain basic set of pre-determined assumptions which may vary over time. Thus, the Company is exposed to various risks in providing the above benefit which are as follows:	
Interest rate risk	The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of liability (as shown in financial statements).
Liquidity risk	This is the risk that the Company is not able to meet the short term benefit payouts. This may arise due to non availability of enough cash/cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.
Salary escalation risk	The present value of the above benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase in salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
Demographic risk	The company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to.
Regulatory risk:	Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (for example, increase in the maximum liability of gratuity to INR 20 lakhs).
Investment risk	The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.
Asset liability mismatching or market risk	The duration of the liability is longer compared to duration of assets exposing the company to market risks for volatilities/fall in interest rate.

MYSORE SALES INTERNATIONAL LIMITED
Summary of significant accounting policies and other explanatory information
(All amounts in Rs lakhs unless otherwise stated)

35 Capital management

The Company's capital management is intended to maximise the return to shareholders for meeting the long and short term objectives of the Company through the leveraging of the debit and equity balance

The Company determines the amount of capital required on the basis of annual and long-term operating plans and strategic investment plans. The funding requirements will be met through long and short term borrowings. The Company monitors the capital structure on the basis of debt to equity ratio and the maturity of the overall debt of the Company.

The following table summarises the capital of the Company:

Particulars	31 March 2021	31 March 2020
Total equity	45,228.55	39,996.45
Debt	-	-
Cash equivalents including other bank balances	24,698.44	24,116.02
Net debt	-	-
Total capital (Equity + Net debt)	45,228.55	39,996.45
Net debt to capital ratio	-	-

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2021 and 31 March 2020.

36 Financial risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement
Credit risk	Other bank balances, trade receivables, investment carried at amortised cost, loans, other financial assets and financial guarantees	Ageing analysis and recoverability assessment
Liquidity risk	Other financial liabilities & collaterals taken as security	Rolling cash flow forecasts
Market risk – foreign exchange	Recognised financial assets and liabilities not denominated in INR	Sensitivity analysis
Market risk – security prices	Investment in equity	Sensitivity analysis

Credit risk

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the Company. The Company is exposed to credit risk from its operating activities (predominantly trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Credit risk management
Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to the customer credit risk management. The Company uses financial information and past experience to evaluate credit quality of majority of its customers and individual credit limits are defined in accordance with this assessment. Outstanding receivables and the credit worthiness of its counter parties are periodically monitored and taken up on case to case basis. There is no material expected credit loss based on the past experience. However, the Company assesses the impairment of trade receivables on case to case basis and has accordingly created loss allowance.
The credit risk on cash and bank balances is limited because the counter parties are banks with high credit ratings assigned by accredited rating agencies.
The Company assesses and manages credit risk of financial assets based on the following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.
Classification of financial assets under various stages
The Company classifies its financial assets in three stages having the following characteristics:
Stage 1: unimpaired and without significant increase in credit risk since initial recognition on which a 12-month allowance for ECL is recognised;
Stage 2: a significant increase in credit risk since initial recognition on which a lifetime ECL is recognised; and
Stage 3: objective evidence of impairment, and are therefore considered to be in default or otherwise credit impaired on which a lifetime ECL is recognised.
All financial assets are deemed to have suffered a significant increase in credit risk when they are 30 days past due (DPD) or one instalment overdue on the reporting date and are accordingly transferred from stage 1 to stage 2. For stage 1 an ECL allowance is calculated based on a 12-month point in time (PIT) probability of default (PD). For stage 2 and 3 assets a life time ECL is calculated based on a lifetime Probability of default.
The Company calculates impairment on financial instruments under ECL approach prescribed under Ind AS 109 'Financial instruments'. ECL uses three main components: PD, LGD (loss given default) and EAD (exposure at default) along with an adjustment considering forward macro economic conditions.
Financial instruments other than Loans were subjected to simplified ECL approach under Ind AS 109 'Financial instruments'.

Loss allowance on 31 March 2021	**(813.60)**	**(720.75)**

ii Liquidity risk
The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.
Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet the liability, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.
Maturities of financial liabilities
The tables below analyze the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows (except lease liabilities).

31 March 2021	**Less than 1 year**	**1 year to 5 years**	**5 years and above**	**Total**
Non-derivatives				
Trade payables	10,297.61	-	-	10,297.61

(*) Investment in equity instruments of associates are measured at cost as per Ind AS 27 'Separate Financial Statements and have been excluded above.

Notes to financial instruments

i The management assessed that the fair value of cash equivalents, trade receivables, loans, other financial assets, trade payables, borrowings and other financial liabilities approximate the carrying amount largely due to short-term maturity of these instruments.

ii The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

iii The Company has measured investments in equity shares of subsidiaries at the deemed cost. The Company has considered the fair value on the transition data as the deemed cost.

ii) Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for financial instruments.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: unobservable inputs for the asset or liability.

		As at March 31, 2021			As at March 31, 2020

40 Segment Information

Disclosures pursuant to Ind AS - 108

The Company has determined following reporting segments based on the information reviewed by the Company's Chief Operating Decision Maker ('CODM') i.e. the Managing Director :

a) Paper division deals in both Note Books and Stationery

b) Sale of liquor is reported under Beverages Division

c) Others include Chit operations, Consumer & Industrial Products, Pharmaceutical products, Export & Import operations and Tours & Travels.

The above business segments have been identified considering :

a) the nature of the products and services

b) the differing risks and returns

c) the internal organisation and management structure, and

d) the internal financial reporting systems.

The management monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Income taxes are managed at an entity level and are not allocated to Operating segments.

41. Contingent Liabilities and Commitments

SL.No	Particulars	2020-2021	2019-2020
i	Guarantees / Counter Guarantees given by the Company to Banks	3,649.29	3,766.46
ii	Insurance Claim on Fire Policy –pending cases	207.73	207.73
	Insurance Claim on Fire Policy –decreed cases	488.70	488.70
	Interest on Insurance Claim	603.07	564.58
iii	Claim made by party in the business of Iron ore Export (including interest)	1,663.11	1,686.58
iv	Claims made by Directorate of Pension, Small savings Asset Monitoring	4,609.86	4,609.86
v	Claim against lease of windmill by Wes care (India) Limited	119.23	119.23
vi	Income Tax Demands	865.67	628.85
vii	Service Tax Demands	197.00	176.76

The above amounts have not been provided as the Company has disputed the claims.

i Bank Guarantees are given for the Income Tax demand relating to TCS on Arrack sales of Rs 3617.49 lakhs and for other business Rs 31.80 lakhs.

The company had made a submission to the Income Tax Department under the Vivad se Vishwas Act 2020 in December 2021 for 9 assessment years from 1995-96 to 2003-04. which has been accepted by the department.

As per the scheme the company has paid Rs 100.01 lakhs as Income Tax and is yet to receive Rs 812.58 lakhs as refund

As per the provisions of the Vivad se Vishwas Act the entire Interest of Rs 306.77 lakhs is waived apart from penalty.

The Bank guarantee of Rs 3617.49 lakhs was cancelled by the Bank on the directions of the Income Tax Department.

ii "Certain Insurance Companies who had settled the claims of their customers on account of fire accident at BACC owned by company during 2001, have filed several suits against the company for recovery of claims settled by them under the principles of subrogation. The company had finally approached the Honourable Supreme Court against the order of the High Court of Karnataka. The Honourable Supreme Court had directed vide its order dated 6 Nov 2009 that all the parties (company, insurance companies and customs authorities) concerned being Government agencies, they should discuss mutually and settle the matter amicably.

Few cases amounting to Rs 207.73 lakhs (PY: Rs 207.73 lakhs) are still sub judice.

Since in the past on similar matter the lower courts had decided that the company and Dept of Customs are jointly and severally liable for settlement of the insurance claim, the company has provided Rs 162.90 lakh(PY Rs 162.90 lakh) being 25% of the total decreed liability of Rs 651.60 lakhs (PY Rs 651.60 lakhs) ; the unprovided portion of Rs 488.70 lakhs (PY: Rs 488.70 lakhs) is reported above In the current year Compound interest at 6% is calculated on an amount of Rs 804.10 lakhs (PY: Rs 752.77). An amount of Rs 201.02 lakhs is provided in the current year (PY: Rs 188.19 lakhs) and the balance amount of Rs 603.07 lakhs (PY: 564.58 lakhs) is reported under Contingent liability. Share of settlement by the insurance companies and the Department of Customs are not yet finalised. The Company has insured the cargo lying in BACC warehouse at the rate of USD 20 per KG as per trade circular issued by the Department of Customs."

iii The Company had entered into an agreement to export iron ore to China with Fe content of 52%. As the commitment was not honoured by the company the buyer went for arbitration. An arbitration committee that was formed as per the agreement had passed an award against the company for USD 18,80,851 apart from an interest payable @ 5 %. USD 67,473 is due from the overseas buyer. The claim against the company is Rs 1663.11 lakhs (PY: Rs 1686.58 lakhs) including interest is reported in the table above. The Claims of the overseas buyer in respect of expenses incurred in China and liability under FEMA are not considered here.

The arbitration award was contested by the company and it had filed a case in the High Court of Karnataka

In the light of irregularities reported by the Committee on Public Undertakings of the Karnataka Legislative Assembly in the above transactions, the company has filed criminal complaint in the jurisdictional police station and the police are investigating the case. In respect of these criminal complaint police have framed the charge sheet and filed the case before the Magistrate Court , Bangalore."

iv **"Directorate of Small Savings:** A letter dated 18th November 2020 was received from the Directorate of Pension, Small Savings Asset Monitoring towards short remittance of sale proceeds of lottery and interest on delayed remittance, amounting to Rs 4609.86 lakhs drawing reference to their earlier letters . However the company vide its letter dated 10th December 2020 had communicated that it had earlier remitted a sum of Rs 352.61 lakhs on 17 October 2016 towards full and final settlement of all dues and that no payment is due from the company on this subject. The letter of the company has been acknowledged by the Directorate of Small Savings. However, the amount demanded is reported under Contingent Liability since the claim is from a Government Department."

v A claim was made by M/s Wescare (India) Limited a lessee which was disputed by the company. The matter was referred to an arbitration panel and an award was passed for Rs 119.23 lakhs (PY : Rs 119.23 lakhs) against the Company. The company has filed a case against the arbitration award in the year 2015-16 and the matter is subjudice in the High Court of Madras.

This amount is disclosed under contingent liability.

vi As per the Income Tax Department's Order, the following are the tax demands that have not been provided for

Asst Year	Amount (In Rs. lakhs)	Forum where dispute is pending
2010-11	653.91	CIT(A) for fresh consideration
2014-15	63.43	Income Tax Appellate Tribunal
2015-16	46.68	IT Department has filed an appeal against the CIT Order - allowance of Leave Salary
2016-17	37.50	Appeal is pending with CIT (A)
2017-18	64.15	Appeal is pending with CIT (A)
TOTAL	**865.67**	

vii Service Tax

The total amount of Service tax disputed before CESTAT is Rs 290.00 lakhs for various years from 2002-03 till 2016-17. However, the company has deposited Rs 93.00 lakhs against these dues. The balance amount of Rs 197.00 lakhs is shown under "Contingent Liability".

MYSORE SALES INTERNATIONAL LIMITED

The matter is subjudice in the High Court of Karnataka.

xii The Company holds sand measuring 6,826 Tons belonging to the purchaser Ocean Agencies, out of the sale of 10000 MT

42 Impact of COVID 2019

The Company has considered the possible effects that may result from COVID-19 in the preparation of these Standalone financial statements including the recoverability of carrying amounts of financial and non-financial assets. Based on the current year performance and estimates arrived at using internal and external sources of information, the company does not expect any material impact on such carrying values. Based on the projected cash flows for the next one year the management is confident of liquidating its liabilities as and when they fall due and the Going concern assumption used for preparation of these financial statements is appropriate. The impact of COVID-19 on the company's financial statement may differ from that estimated as at the date of approval of Standalone Financial statements and it will continue to closely monitor any material changes to future economic conditions.

43 No adjusting or significant non-adjusting events have occurred between 31 March 2021 and the date of authorization of these financial statements.

44 The previous year figures have been reclassified to conform to the current year's classifications, wherever necessary.

MYSORE SALES INTERNATIONAL LIMITED

CONSOLIDATED ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2021

INDEPENDENT AUDITOR'S REPORT

To

The Members of Mysore Sales International Limited

Report on the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of Mysore Sales International Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (holding company and its subsidiaries together referred to as "the Group") and its associate as listed in Annexure-A, which comprise consolidated Balance Sheet as at March 31, 2021, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described under the "Basis for Qualified Opinion" section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the company as at March 31, 2021 and its consolidated profit, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion:

Mysore Sales International Limited

a. Balance confirmation of trade receivables, trade payables, other payables & advance are not received from third parties. These balances are subject to confirmations and consequent adjustments, if required. In absence of balance confirmations, financial impact on consolidated financial statements is not ascertainable.

b. In the absence of (i) proper records being maintained/updated and produced to us for the inventory of traded goods viz. imported river sand and pharmaceutical products; (ii) periodical physical verification and reconciliation exercise (including roll forward or roll back) being carried out by the management; (iii) obtaining confirmation of stock of imported river sand as on Balance Sheet date, from the port authorities where these stocks are stored; and (iv) confirmation on the quantity of the closing stock, we are unable to comment on the correctness of the quantity and/or value of closing inventory of imported river sand and pharmaceutical products amounting to Rs. 1,372 lakhs and Rs 170.68 lakhs respectively included under Closing Stock as of March31, 2021.

c. The Company has not accounted for rental Income of Rs 441.14 lakhs from few tenants for the period up to March 31,2020. Had the Company accounted the rental income (pre-tax) in the respective years, the other equity of the company would have increased by an amount of Rs 441.14 lakhs and other financial assets of the Company would have increased by Rs 441.14 lakhs. However, the Company has accounted the same in the current year and has not corrected the error by retrospectively restating the comparative amounts for prior periods presented in which the error occurred or by restating the opening statement of financial position, where the error occurred before the earliest prior period presented, as required by Indian Accounting Standard 8 -Accounting Policies, Changes in Accounting Estimates and Errors (Ind AS 8),which is a non-compliance with Ind AS 8.

d. In respect of pharma division, an amount of Rs. 12.48 lakhs, being the amount receivable towards cash sales, is reported under "Cash on Hand" in Note 11 to the consolidated financial statements. However, we were unable to obtain adequate and appropriate audit evidence except for the management's certificate confirming the cash holding.

We draw your attention to the following qualifications to the audit opinion of the financial statements of Marketing Communication & Advertising Limited and The Mysore Chrome Tanning Company Limited the subsidiaries of the Holding Company issued by an independent firm of Chartered Accountants vide their Reports dated December 01,2021 and September 09, 2021 respectively reproduced by us as under: -

Marketing Communication & Advertising Limited-MCA

a. The Balance of trade receivable, advances, payables and advance from customers have not been reconciled nor confirmed from the counter parties as at the balance sheet date. We were unable to obtain sufficient and appropriate audit evidence about the carrying amount of these accounts as at balance sheet date, in the absence of which we are unable to determine whether any adjustments to these amounts are necessary. The financial impact of these unreconciled or unconfirmed account balances, if any, could not be determined.

The position of total balances, confirmed balances and percentages of unconfirmed balances are given below:

(Amount in Rs lakhs)

Sl No	Particulars	Amount as per Books	Amount for which Confirmation received and reconciled	Percentage of unreconciled/ unconfirmed account balance
1	Trade Receivable	11,145.72	290.13	97.40%
2	Trade Advances	327.75	-	100%
3	Trade Payable	6,702.97	-	100%
4	Advance from Customers	169.55	-	100%

b. The trade receivable in Note10 of the consolidated financial statements include Rs.941.29 lakhs which are received through NEFT/RTGS directly to Company's bank account for which no information is available as at balance sheet date. Accordingly, the Company is not in a position to analyze the trade receivable ageing schedule appropriately. We were unable to obtain sufficient appropriate audit evidence, in the absence of which we areunable to determine whether any adjustments to these trade receivables, advances, payables and advances from customers account balances are necessary. The financial impact of these adjustments which affects the ageing of these account balances, if any, could not be determined.

c. There are discrepancies between purchases/ sales recorded in the books of accounts and the GST returns filed on a month-on-month basis during the year. We are unable to obtain sufficient information or explanation or appropriate audit evidence or reconciliation for such discrepancies, in the absence of which we are unable to determine the financial impact of such non-compliance.

d. The Company in its board meeting dated June 18, 2019, noted, accounts receivable overdue collection of Rs.39.29 lakhs by Mr. M.S. Patil, the Branch Manager, Vijayapura Branch from the client M/s Public Works, Ports and Inland Water Transport Department, Vijayapura. Accordingly, FIR had been registered with Jalanagar Police Station, Vijayapura on May 30, 2019. During the year said FIR has been withdrawn consequent to the recovery of Rs.39.29 lakhs. However as informed, the departmental enquiry initiated through public servant [retired judge] is yet to be disposed. The duly mentioned sum of Rs.39.29 Lakhs was collected on September 03,2019 and no interest was collected. The financial impact of such non collection of interest, if any, could not be determined.

e. Advance payments amounting to Rs.57.91 lakhs remaining unadjusted for more than three years under trade advances and other receivables as at March 31, 2021 includes Rs.0.12 Lakh paid to M.S.Patil during the financial year 2012-13 through transfer to his personal bank account. The Financial impact of such non collection of interest, if any, could not be determined.

f. The fixed deposits as disclosed in the balance sheet is Rs.7,351.45 Lakhs under cash and bank balances and other non-current financial asset. The accrued interest on the same disclosed under other financial assets is Rs.244.80 lakhs. The balance confirmation received from the bank is for Rs.7,596.25 which matches with the total of fixed deposits and accrued interest. This includes deposits of Rs 101.64 Lakhs pledged against bank guarantees (Note No.41B(a) to the consolidated financial statements) against which the bank confirmation received is Rs. 101.64 Lakhs. We are unable to reconcile the years and deposits to which the accrued interest pertains to. Improper accounting of fixed deposits, where we unable to comment which are the open fixed deposits and which are closed deposits.

g. Company has exchanged the used batteries with new ones, on exchange of those batteries, profit or loss not recognized, GST on sale of assets has not been discharged. Assets are not marked as disposed of in fixed asset register. Fixed asset register indicates overstatement of assets and profit or loss is understated.

h. Note 2 to the consolidated financial statements, Property, Plant and Equipment, gross block value as per books and fixed asset register does not reconcile. Property, Plant and Equipment is overstated by Rs.2.37 lakhs.

The Mysore Chrome Tanning Company Limited-MCTL

a. The Company is not a going concern as the Company is not carrying on any manufacturing activities since 1986. The Company has accumulated losses of Rs.841.13 lakhs and net worth stands eroded. As of that date, the Company's current liabilities exceeded its total assets by Rs.765.38 Lakhs.

These events or conditions, along with other matters as set forth in Note 41C(d) to the consolidated financial statements indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

b. The Company has not provided interest on the loan availed from MSIL, KSIIDC and Government of Karnataka amounting to Rs.5.48 Lakhsfor the current year and Rs.132.13 Lakhs from April 1999. Had this interest been provided, the loss for the year would have been Rs.2.89 Lakhs against the profit for the year of Rs.2.59 lakhs as per the statement of profit and loss account for the year ended March 31, 2021. Current liability is understated to the extent of Rs.5.48 Lakhs for the current year.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143 (10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Group and its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

We draw attention to Note 44 of the accompanying consolidated financial statements, which describes the management's evaluation of impact of uncertainties related to COVID-19 and its consequential effects on the operations of the Holding Company. Our opinion is not modified in respect of this matter.

We draw attention to the following emphasis of matters included in the audit report issued by an independent firm of Chartered Accountants, vide their report dated December 01, 2021, and September 09,2021 respectively on the financial statements of Marketing Communication and Advertising Limited and The Mysore Chrome Tanning Company Limited, the subsidiary companies of the Holding Company reproduced by us as under:

Marketing Communication & Advertising Limited-MCA

1. Trade advances and other receivables Note.8 to the consolidated financial statements, target incentive of Rs.62.06 Lakhs receivables from publication houses is not reconciled, no confirmation available and realization of the same is not certain, to this extent current assets are overstated

2. Trade advances and other receivables Note.8 to the consolidated financial statements, advance paid to publication houses Rs.53.84 Lakhs is not reconciled, no confirmation available and realization of the same is not certain, to this extent current assets are overstated.

3. Note 16 to the consolidated financial statement earnest money deposits, Rs.82.03 Lakhs has been collected as refundable earnest money deposit and shown as other current liabilities, Company is not able to identify the respective supplier's name and also amount not refunded although the relative project has been completed.

The Mysore Chrome Tanning Company Limited-TMCTCL

1. Note 16 to the consolidated financial statements regarding non provision of interest on advances and others, consequent effect of the same not being ascertainable.

2. The financial statements which, describe the uncertainty related to the outcome of the lawsuit filed against the contingent liabilities of the Company vide Note 41(C)(a) and (b) and other information vide Note 41C(c) and Note 16 stated in notes to the consolidated financial statements.

3. Note 41C(c) to the consolidated financial statements regarding recovery of compensation amount from Bangalore Development Authority, amount being unascertainable.

4. Note 41C (e) to the consolidated financial statements regarding non confirmation of loans and advances.

Our opinion is not modified in respect of these matters.

Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding company's Board of Directors is responsible for the preparation of the other information. The other information comprises the Board's Report including its annexures, Corporate Governance information and shareholders information but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group and its associate in accordance with the accounting principles generally accepted in India, including the accounting standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group andits associate are responsible for assessing the ability of the Group and its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and its associate are also responsible for overseeing the Company's financial reporting process of the Group and its associate.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group and its associate has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence

regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

We did not audit the financial statements of two subsidiaries and an associate.The financial statements of two subsidiaries reflect total assets of Rs.24,287.72 Lakhs as at 31 March 2021, total revenues of Rs.24,022.69 Lakhs and net cash flows amounting to Rs. 5,700.52 Lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of Rs0.17 Lakh and other comprehensive income of Rs. Nil for the year ended 31 March 2021, as considered in the consolidated financial statements, in respect of an associate, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and associate, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associate, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements and our report on the Other Legal and Regulatory Requirements below is not modified in respect of the above matters based on our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries and associate as noted in the 'other matter' paragraph we report, to the extent applicable, that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

b) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors.

c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of accounts maintained for the purpose of preparation of the consolidated financial statements.

d) Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e) The matters related to associate described in the Basis for Qualified Opinion section above, in our opinion, may have an adverse effect on the functioning of the associate.

f) The Group and its associate, being Government Companies, the provisions of Section 164(2) of the Companies Act, 2013 in respect of disqualification of Directors are not applicable.

g) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the Holding Company and its subsidiary companies and its associate incorporated in India, refer to our separate Report in "Annexure B" to this report.

h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirement of Section 197(16) of the Companies Act, 2013 as amended:

The Group and its associate, being Government Companies, the provisions in relation to payment of managerial remuneration as mandated by Section 197 read with Schedule V to the Companies Act, 2013 is not applicable.

i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its associate - Refer Note 41 to the consolidated financial statements.

ii. The Group and its associate did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company by the Group andits associate.

iv. Marketing Communication & Advertising Limited had declared dividend in its 48th annual general meeting held on December 29, 2020, the Company has not paid the dividend to the shareholders within the 30 days of declaration, which is non-compliance to the provision of section 127 of Companies Act 2013.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of section 143 of the companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the company as of and for the year ended March 31,2021, we have audited the internal financial controls over financial reporting of Mysore Sales International Limited ("the Holding Company"), its subsidiary companies and its Associate, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies and its associate company, which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company, its subsidiaries and associate, which are incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding company and its subsidiaries and its associate.

Meaning of Internal Financial Controls Over Financial Reporting

A company's Internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's Internal financial controls over financial reporting include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

In our opinion, according to the information and explanations given to us and based on our audit procedures performed, the following material weakness has been identified in the operating effectiveness of the Holding Company's internal Financial Controls Over Financial Reporting as at March 31,2021:

a) The Company did not have an appropriate internal control system for obtaining external balance confirmation on a periodic basis. This could potentially result in inaccurate assets and liabilities being disclosed in the books of accounts and may have an impact on financial results of the Company.

b) The title deeds of few immovable properties are not available with the Company.

c) The company did not have an appropriate internal control system related to maintenance of its fixed assets. The physical verification of the fixed assets is not carried out periodically. Hence non availability of assets if any, were not identified. The absence of program of verification of fixed asset will potentially result in incorrect depreciation provision and assessment of impairment.

d) The Company did not have an integrated ERP system encompassing all its operations, as the accounting of beverage, chit and paper divisions are made in a standalone software. The trial balance from these software are consolidated with the trial balances of the other divisions in tally. To this extent, there is a manual intervention in the flow of data.

e) The accounting software used by the chit division is neither supported by the vendor nor company has requisite technically skilled staff to mitigate the risk of technical issues if any, that may arise.

f) The revenue in respect of the completed tours is not recognized as and when it accrues by the company in the Tours and Travel Division. This will result in under statement of income in books of account.

g) The procedure adopted for purchase of various property plant and equipment is not in compliance with the general purchase procedure for purchase above Rs.5.00 lakh. This could potentially result in irregularities in acquisition of property plant and equipment.

h) The company did not have appropriate internal control system towards periodic reconciliation of grants received from government agency and for submission of grants for the new pharma outlets opened.This will result in inaccurate disclosure of grant receivable in the books of accounts.

i) The company did not have an adequate system for physical verification, valuation of stock, and identification of non-moving/slow moving stock. Hence the diminution in value of stock is not dealt with. This could potentially result in overstatement of inventory in books of accounts.

j) The Company has not provided the Form X1(Receipts and expenditure account and Statement showing the assets and liabilities of the individual Chit groups) filed with the Registrar, as required under Rule 20 (2) of Chit Funds (Karnataka) Rules, 1983.

k) The process in respect of approval of major repair and renovation work undertaken by the Company is not uniformly complied with the Delegation of

Authority (DOA) approved by the Board.

We draw attention to the following material weakness included in the report on internal Financial Controls Over Financial Reporting issued by an independent chartered accountant dated December 01, 2021, on financial statements of Marketing Communication and Advertising Limited,a subsidiary company of the Holding Company, and reproduced by us as under:

a. The Company's internal control over fixed assets does not commensurate to size of operations, there is no proper control sale/ exchange of fixed assets. Company doesn't have asset capitalization process.

b. The Company's internal control system over accounting and reconciliation of fixed deposits doesn't commensurate to the size of operations.

c. The Company's internal control system over cash maintenance at branches and reimbursement of imprest to the branches does not commensurate to the size of the operations. Expense accounting is not credited to imprest accounts, on reimbursement company is posting payment entries by debiting expense, which is incorrect way of accounting.

d. The Company's internal control system over bank deposit pertaining to direct transfers from customers does not commensurate to the size of operations.The same were accounted in miscellaneous debtors' collection, outstanding collection to be adjusted as on March 31,2021 is Rs. 147.75 Lakhs.

e. Internal audit is done by the outside professionals appointed by the company, but scope covered doesn't commensurate to the size of the operations.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion and based on the consideration of the reports of the other auditors on Internal Financial Controls Over Financial Reporting of the subsidiaries and its associate, except for the possible effects of the material weakness described above in the Basis for Qualified Opinion paragraph, the Holding Company and two subsidiary companies, which are incorporated in India, have, in all material respects, adequate Internal Financial Controls Over Financial Reporting and such controls were operating effectively as at March 31,2021, based on internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the consolidated financial statements of the Group and its associate for the year ended March 31,2021, and the material weakness has affected our opinion on the consolidated financial statements of the Group and its associate and we have issued a qualified opinion on the consolidated financial statements.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to two subsidiary companies which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies.

Date:14 December 2021

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF MYSORE SALES INTERNATIONAL LIMITED, BENGALURU FOR THE YEAR ENDED 31 MARCH 2021

The preparation of consolidated financial statements of **Mysore Sales International Limited, Bengaluru** for the year ended **31st March 2021** in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 139(5) read with section 129(4) of the Act is responsible for expressing opinion on the financial statements under section 143 read with section 129(4) of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Revised Audit Report dated **14 December 2021**.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the of the Consolidated financial statements of **Mysore Sales International Limited, Bengaluru** for the year ended **31st March 2021** under section 143(6)(a) read with section 129(4) of the Act. We conducted supplementary audit of the financial statement of **Mysore Sales International Limited, Bengaluru. Marketing Communication & Advertising Limited, Bengaluru** but did not conduct supplementary audit of **The Mysore Chrome Tanning Limited, Bengaluru and Food Karnataka Limited, Bengaluru** for the year ended **31 March 2021.** This supplementary aduit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examinaton of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to the statutory auditor’s report under section 143(6)(b) of the Act.

For and on behalf of the
Comptroller & Auditor General of India

Consolidated Summary of significant accounting policies and other explanatory information

1. Group overview and significant accounting policies

1.1 Group overview

Mysore Sales International Limited ('Company', 'MSIL') is a premier Government of Karnataka Undertaking, dealing in various products & services. It was established in 1966 as a trading house. The registered office is located at Bangalore, Karnataka, India. Since then, the group has grown primarily as a marketing force with a national presence. It is having a wide network of offices all over Karnataka as well as in some major metros across the country. It markets products and services such as Indian made foreign liquor, chit operations, paper products, imported sand, Pharmaceuticals, Industrial and Consumer products.

The group has two subsidiaries and an Associate:

Name	Year of Incorporation	% Holding	Relationship
Marketing Communication& Advertising Limited	1972	100	Wholly Owned Subsidiary
The Mysore Chrome Tanning Company Limited	1940	95.10	Subsidiary
Food Karnataka Limited	2003	50	Associate

The Group together with its subsidiaries is collectively referred as 'Group' in these consolidated financial statements.

1.2 Basis of preparation of financial statements

a. Statement of compliance

(i) Statement of compliance

The financial statements of the Group have been prepared in accordance with the Indian Accounting Standards (Ind-AS) as notified under section 133 of the Companies Act 2013 read with the Companies (Indian Accounting Standards) Rules 2015 by Ministry of Corporate Affairs ('MCA'). The Group has uniformly applied the accounting policies during the periods presented

The financial statements for the year ended 31 March 2021 were authorized and approved for issue by the Board of Directors on14th December 2021.

(ii) Basis of preparation of financial statements

The financial statements have been prepared on a going concern basis under the historical cost basis except for:

a) certain financial assets and liabilities which are measured at fair value.

b) Assets held for disposal measured at the lower of carrying amount and fair value less costs to sell.

c) Employee's Defined Benefit Plan as per actuarial valuation.

d) certain arrangements which are treated as being leases under Ind AS 116 Leases and are capitalized as Right of Use assets, at fair value of estimated cash flows towards such rights over estimated lease term. Ind AS 116 is adopted by the Group using the modified retrospective approach, with effect to retained earnings.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes in to account the characteristics of the asset or liability, if the market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share based payment transactions that are within the scope of Ind AS 102, 'Share-based Payment', leasing transactions that are within the scope of Ind AS 17, 'Leases', and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 'Inventories', or value in use in Ind AS 36 'Impairment of assets'.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data rely as little as possible on entity specific estimates.

Level 3: Inputs for the assets or liabilities that are not based on the observable marked data (unobservable inputs)

(iii) Basis of Consolidation

The consolidated financials include financials statements of Mysore Sales International Limitedand its subsidiaries and an associate. The consolidated financial statements of the Group incorporate the assets, liabilities, equity, income, expenses and cash flows of the Group and its subsidiaries. The Group has control of the subsidiaries as it has the rights to variable returns from its involvement and has the ability to affect those returns through its power over the subsidiaries.

The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. The consolidation procedures principally followed are: (a) Like items of assets, liabilities, equity, income, expenses and cash flows of the Group and those of its subsidiaries are combined on a line by line basis; (b) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary are eliminated; and (c) intra group assets and liabilities, equity, income, expenses, and cash flows relating to transactions between entities of the Group are eliminated in full

(iv) Use of estimates

The preparation of financial statements is in conformity with generally accepted accounting principles which require the management of the Group to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future period. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Application of accounting policies that require significant accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in note 1.3 and 1.4.

(v) New Accounting Standards and amendments not yet adopted by the Group–

MCA issued notifications dated 24th March, 2021 to amend Schedule III to the Companies Act, 2013 to enhance the disclosures required to be made by the Group in its financial statements. These amendments are applicable to the Group for the financial year starting 1st April, 2021. The Group is currently evaluating the impact of these amendments on the financial statements.

(vi) Significant accounting policies -

a. Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. (i) An asset is classified as current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

(ii) All other assets are classified as non-current.

(iii) A liability is classified as current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

(iv) All other liabilities are classified as non-current.

(v) Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Based on the nature of service and the time between the acquisition of assets for development and their realization in cash and cash equivalents, the Group has ascertained its operating cycle as one year for the purpose of current and non-current classification of assets and liabilities except for the assets and liabilities relating to Chit business.The operating cycle for the Chit business is dependant on the Chit tenor. A tenor of 40 months is considered to be the operating cycle for the Chit Business being the most popular chit tenor.

b. Foreign currency transactions

Functional and presentation currency

The financial statements are presented in Indian Rupee (‘Rs’) which is also the functional and presentation currency of the Group. All amounts have been reported to the nearest rupee, unless otherwise indicated.

(a) Initial recognition

Foreign currency transactions are recorded in the functional currency, by applying to the exchange rate between the functional currency and the foreign currency at the date of the transaction.

(b) Conversion

Foreign currency monetary items are converted to functional currency using the closing rate.

Non-monetary items denominated in a foreign currency which are carried at

- historical cost are reported using the exchange rate at the date of the transaction and
- at fair value or any other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

c. Revenue recognition

The Group has applied the following accounting policy in the preparation of its consolidated financial statements:

Revenue from contracts with customers

The Group recognises revenue from contracts with customers based on a five step model as set out in IndAS 115:

Step 1. - Identify the contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria that must be met for every contract.

Step 2. - Identify the performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3.-Determine the transaction price: The transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4.- Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Group will allocate the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Group expects to be entitled in exchange for satisfying each performance obligation.

Step 5. - Recognise revenue when (or as) the entity satisfies a performance obligation.

The Group satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

1. The customer simultaneously receives and consumes the benefits provided by the Group's performance as the Group performs; or
2. The Group's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
3. The Group's performance does not create an asset with an alternative use to the Group and the entity has an enforceable right to payment for performance completed to date.

For performance obligations where none of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

When the Group satisfies a performance obligation by delivering the promised goods or services it creates a contract asset based on the amount of consideration earned by the performance. Where the amount of consideration received from a customer exceeds the amount of revenue recognized, this gives rise to a contract liability.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes and duty.

Marketing Communication and advertising limited recognizes -

(a) Revenue from sale of goods when the goods are delivered to buyer. Sales amount is net of taxes

(b) Revenue from rendering of services is recognized on rendering of services as per terms of the contract and excludes taxes.

Rental income

Rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease.

Dividend income

Income from dividends are recognised when the Group's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably.

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the group and the amount of income can be measured reliably. Interest is accrued on time proportion basis, by reference to the principle outstanding applying effective interest rate.

Interest on delayed receipts, cancellation/ forfeiture income and transfer fees from customers are recognised on accrual basis except in cases where ultimate collection is considered doubtful and in the instances listed below:

Revenue Recognition on cash basis

Revenue is recognized on accrual basis except for the following items where it is accounted for on cash basis since the realisability is uncertain: -

i. Chit Operations:All streams of revenue from Chit operations is on cash basis.

ii. HirePurchase:Interest income on hire purchase sales is recognised on cash basis.

iii. Duty credit / exemption under various promotional schemes of Foreign Trade Policy in force, Tax credit, refund of custom duty on account of survey shortage, and refund of income-tax/service tax / sales-tax /VAT/GST and interest thereon etc.

iv. Interest on overdue recoverable.

v. Liquidated damages on suppliers/underwriters.

Other items of income are recognized as and when the right to receive arises.

d. Inventories

Inventories are valued at the lower of cost and net realisable value except scrap and by products which are valued at net realisable value.Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.Excise adhesive labels printed but not yet supplied are considered as inventories as at balance sheet date.

Inventories are valued as under:

i. Raw materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis in case of Paper Division

ii. Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on weighted average basis.Raw materials and consumables issued to convertors are considered as Finished Goods only at the time of receipt of notebooks from the convertors in the case of Paper Division.

iii. Freight inward is not considered for valuation of stock of liquor and is charged to the profit & loss account.

iv. Obsolete inventories, slow moving and defective inventories are identified and written down to net realisable value.

e. Property, Plant and Equipment (PPE)

Recognition and measurement

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset. General and specific borrowing costs directly attributable to the construction of a qualifying asset are capitalized as part of the cost.

Depreciation and useful lives

Depreciation/amortization on property, plant & equipment is provided on the straight-line method, based on the useful life of asset specified in Schedule II to the Companies Act, 2013. The Management estimates the useful lives of the assets as per the indicative useful life prescribed in Schedule II to the Companies Act, 2013. Residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

Particulars	Life in years
Building	60
Fire fighting equipment	10
Electrical equipment	10
Furniture and fixtures	10
Vehicles	8
Furniture and fixtures - Liquor	5
Handling equipment	5
Weighing Machines	5
Office equipment	5
Plant & Machinery (DigiFlex Machine)	15
Computers	3
Dark room equipments	3
Partitions	3
Leasehold assets	Over the primary lease period – except for land

Depreciation on fixed assets added/ disposed off/ discarded during the year has been provided on prorata basis with reference to the date of addition/ disposal/ discarding.

The Group, based on technical assessment made by technical expert and management estimate, depreciates furniture & fixture at Liquor outlets over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

De-recognition

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognized.

f. Intangible assets

Recognition and measurement

Intangible assets (software) acquired separately are measured at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria is met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Following initial recognition, intangible assets are carried at cost less accumulated amortization and impairment losses, if any.

The cost of capitalized software is amortized over a period of 6 years from the date of its acquisition on a straight line basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.

The residual values, useful lives and methods of amortization of intangible assets are reviewed at each reporting date end and adjusted prospectively, if appropriate.

g. Capital Work in Progress

Capital work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the date of use of asset. Capital advances given towards purchase/ acquisition of PPE outstanding at each balance sheet date are disclosed separately as Other Non-Current Assets.

h. Investment Property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. All of the Group's property interests held under operating leases to earn rentals or for capital appreciation purposes are accounted for as investment properties. After initial recognition, the group measures investment property at cost.

Investment properties are derecognized upon disposal or when the investment properties are permanently withdrawn from use and no future economic benefits are expected post disposal. Any gain or loss arising on de-recognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the profit or loss in the period in which the property is derecognized.

Investment properties are depreciated in accordance to the class of asset that it belongs to and the life of the asset is as conceived for the same class of asset of the Group. Depreciation/ amortization is provided on the straight-line method, based on the useful life of asset specified in Schedule II to the Companies Act, 2013. The Management estimates the useful lives of the assets as per the indicative useful life prescribed in Schedule II to the Companies Act, 2013. Residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

The useful life of the Buildings is estimated to be 60 years.

The fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer.

i. Finance costs

Finance cost comprises of Interest cost on lease and other financial liabilities, bank charges and guarantee commission. All finance costs are recognized in the Statement of Profit and Loss in the period in which they are incurred.

j. Cash and cash equivalents

Cash and cash equivalent in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

k. Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Group evaluates each contract or arrangement, whether it qualifies as lease as defined under Ind AS 116.

Group as a lessee

The Group enters into an arrangement for lease of shops and offices. Such arrangements are generally for a fixed period but may have extension or termination options. The Group assesses, whether the contract is, or contains, a lease, at its inception. A contract is, or contains, a lease if the contract conveys the right to –

a) control the use of an identified asset,

b) obtain substantially all the economic benefits from use of the identified asset, and

c) direct the use of the identified asset

The Group determines the lease term as the non-cancellable period of a lease, together with periods covered by an option to extend the lease, where the Group is reasonably certain to exercise that option.

The Group at the commencement of the lease contract recognizes a Right-of-Use (RoU) asset at cost and corresponding lease liability, except for leases with term of less than twelve months (short term leases) and low-value assets. For these short term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the lease term.

The cost of the right-of-use asset comprises the amount of the initial measurement of the lease liability, any lease payments made at or before the inception date of the lease, plus any initial direct costs, less any lease incentives received. Subsequently, the right-of-use assets are measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful life of right-of-use assets are determined on the same basis as those of property, plant and equipment.

The Group applies Ind AS 36 to determine whether an RoU asset is impaired and accounts for any identified impairment loss as described in the impairment of non-financial assets below.

For lease liabilities at the commencement of the lease, the Group measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined, if that rate is not readily determined, the lease payments are discounted using the incremental borrowing rate that the Group would have to pay to borrow funds, including the consideration of factors such as the nature of the asset and location, collateral, market terms and conditions, as applicable in a similar economic environment.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made.

The Group recognizes the amount of the re-measurement of lease liability as an adjustment to the right-of-use assets. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Group recognizes any remaining amount of the re-measurement in statement of profit and loss.

Lease liability payments are classified as “cash used in financing activities” in the statement of cash flows.

The Group as a lessor

Leases under which the Group is a lessor are classified as finance or operating leases. Lease contracts where all the risks and rewards are substantially transferred to the lessee, the lease contracts are classified as finance leases. All other leases are classified as operating leases.

For leases under which the Group is an intermediate lessor, the Group accounts for the head-lease and the sub-lease as two separate contracts. The sub-lease is further classified either as a finance lease or an operating lease by reference to the RoU asset arising from the head-lease.

I. Employee benefits

Defined contribution plan

The Group’s defined contribution plans are Employees’ Provident Fund (under the provisions of Employees Provident Funds and Miscellaneous Provisions Act,

1952) ESI (under the provisions of Employees State Insurance Act, 1948) and Superannuation. The group has no further obligations beyond making the group's contributions. The group's contribution to Provident Fund, ESI and Superannuation are made at prescribed rates and are charged to Statement of Profit and Loss. The Superannuation asset are managed by a Trust which invests with LIC.

Death Relief Fund

The Group's liability towards Death Relief Fund is accounted on the basis of actuarial valuation as at the reporting date.

Defined benefit plan

The Group has a defined benefit plan for payment of Gratuity as per the Gratuity Act,1972. The Gratuity Plan provides a lump sum payment to employees who have completed five years or more of service at retirement, disability or termination of employment, being an amount based on the respective employee's last drawn salary and the number of years of employment with the Group. The group makes contribution to the MSIL Employee Gratuity Fund Trust managed by LIC.

The Group's liability is actuarially determined (using the Projected Unit Credit method) at the end of each reporting period. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets if any. This cost is included in employee benefit expense in the statement of profit and loss.

The liability or asset recognised in the balance sheet in respect of gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets, if any.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income and are never reclassified to profit or loss. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in the statement of profit and loss as past service cost.

Earned Leave

As per policy of the Group, employees can carry forward unutilized accrued leave and utilize it in next service period or receive cash compensation. The compensated absences fall due wholly within twelve months after the end of the period in which the employees render the related service and are also expected to be utilized wholly within twelve months after the end of such period, the benefit is classified as a current employee benefit. The Group records an obligation for such compensated absences in the year in which the employee renders the services that increase his entitlement.

The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the reporting period. The Group's liability is actuarially determined (using the Projected Unit Credit method) at the end of each reporting period.

Other short-term benefits

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, estimated bonus, ex-gratia and short term compensated absences are recognized in the period in which the employee renders the related service.

Short-term employee benefits comprising employee costs including performance bonus is recognized in the statement of profit and loss on the basis of the amount paid or payable for the period during which services are rendered by the employee.

m. Tax expense

Income taxes

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

Current tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act,1961 and other applicable tax laws in the countries where the Group operates and generates taxable income.

The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and deferred tax for the period

Current and deferred tax are recognized in profit or loss, except when they are related to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

n. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

(i) The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and

(ii) The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

o. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Group has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Present obligations arising under onerous contracts are recognised and measured as provisions. An onerous contract is considered to exist where the Group has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received from the contract.

Decommissioning costs are measured as the best estimate of the expenditure to settle the obligation or to transfer the obligation to a third party. Provisions for decommissioning obligations are required to be recognized at the inception of the arrangement. The estimated costs to be incurred at the end of the arrangement are discounted to its present value using the market rate of return.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent Liability is disclosed in the case of

(i) a present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation.

(ii) a present obligation arising from a past event, when a reliable estimate of the obligation cannot be made, and

(iii) a possible obligation arising from past events where the probability of outflow of resources is not remote.

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

p.Financial instruments

Financial assets

Initial recognition and measurement

All financial assets are recognized initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

Subsequent measurement

Debt Instruments

Debt instruments at amortized cost

A ‘Debt instrument’ is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the statement of profit and loss.

Debt Instruments at fair value through other comprehensive income (FVTOCI)

A debt instrument is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Fair value movements are recognized in other comprehensive income (OCI).

Debt instruments at Fair value through profit and loss (FVTPL)

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

Equity investments

All equity investments in the scope of Ind AS 109,' Financial Instruments', are measured at fair value. Equity instruments which are held for trading and contingent consideration has been recognized by an acquirer in a business combination to which Ind AS 103,' Business Combinations' applies, are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in OCI with subsequent changes in the fair value.

The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, impairment gains or losses and foreign exchange gains and losses, are recognized in the OCI.

There is no recycling of the amounts from OCI to the statement of profit and loss, even on sale of investment.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

De-recognition of financial assets

A financial asset is primarily de-recognized when the rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset.

If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay.

If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss.

q. Financial liabilities

Initial recognition

All financial liabilities are recognized initially at fair value. Transaction costs that are directly attributable to the issue of financial liabilities, that are not at fair value through profit or loss (FVPL), are added to the fair value on initial recognition.

Subsequent measurement

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit or loss. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value due to the short maturity of these instruments.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

r. Impairment of financial assets

The Group recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the twelve month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in the statement of profit and loss.

s. Impairment of non-financial assets

At the end of each reporting period, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Where it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the statement of profit and loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the statement of profit and loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

t. Segment reporting

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components, and for which discrete financial information is available. Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

Segment accounting policies are in line with the accounting policies of the Group. In addition, the following specific accounting policies have been followed for segment reporting.

(i) Segment revenue includes sales and other income directly identifiable with / allocable to the segment including inter-segment revenue.

(ii) Expenses that are directly identifiable with / allocable to segments are considered for determining the Segment Result. The expenses, which relate to the Group as a whole and not allocable to segments, are included under "Other unallocable corporate expenditure".

(iii) Income that relates to the Group as a whole and not allocable to segments is included in "Unallocable income".

(iv) Segment result includes margins on inter-segment and sales which are reduced in arriving at the profit of the Group.

(v) Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable assets and liabilities represent the assets and liabilities that relate to the Group as a whole and not allocable to any segment

(vi) Performance is measured based on segment profit (before tax), as included in the internal management reports that are reviewed by the Group's CMD. Segment profit is used to measure performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries.

u. Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash from operating, investing and financing activities of the Group are segregated.

v. Events after Reporting Date

Assets and liabilities are adjusted for events occurring after the reporting period that provides additional evidence to assist the estimation of amounts relating to conditions existing at the end of the reporting period.

Dividends declared by the Group after the reporting period are not recognized as liability at the end of the reporting period. Dividends declared after the reporting period but before the issue of financial statements are not recognized as liability since no obligation exists on the balance sheet date. Such dividends are disclosed in the notes to the financial statements.

w. Exceptional Items

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the Group. They are material items of income or expense that have been shown separately due to the significance of their nature or amount.

Errors of material amount relating to prior period(s) are disclosed by a note with nature of prior period errors, amount of correction of each such prior period presented retrospectively, to the extent practicable along with change in basic and diluted earnings per share.

However, where retrospective restatement is not practicable for a particular period then the circumstances that lead to the existence of that condition and the description of how and from where the error is corrected are disclosed in Notes to Accounts.

x. Non-Current Assets Held For Sale And Discontinued Operations

An entity shall classify a non-current asset (or disposal group) as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such assets and its sale is highly probable. Management must be committed to sale which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets classified as held for sale are presented separately and measured at the lower of their carrying amounts immediately prior to their classification as held for sale and their fair value less costs to sell. However, some held for sale assets such as financial assets, assets arising from employee benefits and deferred tax assets, continue to be measured in accordance with the Group's relevant accounting policy for those assets. Once classified as held for sale, the assets are not subject to depreciation or amortisation.

A discontinued operation is a component of the Group's business that represents a separate line of business that has been disposed off or is held for sale, or is a subsidiary acquired exclusively with a view to resale. Classification as a discontinued operation occurs upon the earlier of disposal or when the operation meets the criteria to be classified as held for sale.

y. Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

When the grant relates to an asset, it is presented by deducting the grant from the carrying amount of the asset. When the Group receives grants of non-monetary assets, it is treated at a nominal value.

When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

1.3 Significant estimates in applying accounting policies

a. Revenue –The Group has applied judgements significantly affect the determination of the amount and timing of revenue from contracts with customers.

b. Net realisable value of inventory - The determination of net realisable value of inventory involves estimates based on prevailing market conditions, current prices and expected date of commencement and completion of the project, the estimated future selling price, cost to complete projects and selling cost.

c. Recoverability of advances/receivables – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

d. Useful lives of depreciable/amortizable assets – Management reviews its estimate of the useful lives of depreciable/amortizable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain software and other assets.

e. Defined Benefit Obligation (DBO) – Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

f. Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

g. Expected credit losses on financial assets – The impairment provisions of financial assets are based on assumptions about risk of default and expected timing of collection. The Group uses judgment in making these assumptions and selecting the inputs to the expected credit loss calculation based on the Group's history of collections, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

h. Leases - Ind AS 116 defines a lease term as the noncancellable period for which the lessee has the right to use an underlying asset including optional periods, when an entity is reasonably certain to exercise an option to extend (or not to terminate) a lease. The Group considers all relevant facts and circumstances that create an economic incentive for the lessee to exercise the option when determining the lease term. The option to extend the lease term is included in the lease term, if it is reasonably certain that the lessee would exercise the option. The Group reassesses the option when significant events or changes in circumstances occur that are within the control of the lessee.

1.4 Critical judgements in applying accounting policies

a. Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Group's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties in various tax jurisdictions.

b. Recognition of deferred tax liability on undistributed profits -The extent to which the Group can control the timing of reversal of deferred tax liability on undistributed profits of its subsidiaries requires judgement.

c. Evaluation of indicators for impairment of assets - The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets. In assessing impairment, management estimates the recoverable amount of each asset or cash generating unit based on expected future cash flows and uses a discounting rate to arrive at net present value.Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate.

d. Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding warranties and guarantees. However, the actual future outcome may be different from this judgement.

e. Contingent liabilities -The Group uses significant judgement to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are not recognised nor disclosed in the financial statements.

MYSORE SALES INTERNATIONAL LIMITED

Wholly Owned subsidiary- Marketing Communication and Advertising Ltd

The Company filed a case [O.S.No.8758 of 1996] against erstwhile employees Mr.S.M Pasha and Mr.ANM Rao for the recovery of misappropriated amount in the financial year 1995-96 for Rs.28.11 lakhs before City Civil Court, Bangalore. The recovery case was disposed on 09-July-2013. The Court decreed the suit with cost against Mr.S.M.Pasha and dismissed the suit against Mr.ANM Rao. The Company sought opinion from an advocate. The advocate opined that there are some grounds in the case to challenge the judgement. Accordingly an appeal no. 236/2014 has filed and the same is pending before Hon'ble High Court of Karnataka for disposal. During the year 1995-96, the disputed amount have been shown as receivables and payables as misappropriation in the accounts of the Company and in the year 1996-97 an amount of Rs. 25.00 lakhs has been paid to the excise department and receivables has been charged to Statement of Profit and Loss as bad debts. In the year 2008-09, misappropriated amount of Rs. 27.12 lakhs has been shown as receivables and payables as misappropriation in the accounts of the Company. Due to contingency the receivables and payables has been adjusted and the contingent asset of Rs. 28.11 lakhs will be recognized in Statement of Profit and Loss on realisation basis.

Income tax refund are outstanding for more than 4 years amounting to Rs 122.06 lakhs [2020: Rs. 122.06 lakhs] and the Company is laisioning with the department.

The VAT Credit receivable includes VAT refund of Rs. 10.30 lakhs with respect to VAT paid to de-registered dealer/Vendor and the same is applied as refund from the VAT department on 05-Mar-2015.

Others include Rebate/Discount receivable on volume of business done with news paper publications have been shown as target incentive of Rs 62.05 Lakhs

A sum of Rs 301.05 lakhs (Previous Year 31st March 2020 Rs 117.82 Lakhs) is shown as GST Receviable for which reconciliation is pending.

GST TDS deducted by service recipients ,as per section 51 of CGST Act, 2017, amounting to Rs 11.68 Lakhs (Previous year 31st March 2020, Rs. 82.06 lakhs) has not been credited in GST electronic cash ledger as on balance sheet date. But in the books it has been accounted as receivable. Reconciliation for the same has not been done for the year ended 31st March 2021.

Wholly Owned subsidiary- Marketing Communication and Advertising Ltd

Balances in the Trade Receivables are subject to reconciliation and confirmation.

Trade Receivables includes Rs. 24.48 lakhs (Previous Year 31st March 2020: Rs. 24.48 lakhs) due from M/s. Cyber Expo and Rs. 32.22 lakhs (Previous Year 31st March 2020: Rs. 32.22- lakhs) due from Bangalore I.T Com against whom a recovery suit was filed and the same is disposed as dismissed on 29-Nov-2014. The Company has sought opinion from three advocates regarding filing an appeal before Hon'ble High Court of Karnataka against the Judgment and decree passed [OS No. 134/2007]. The advocates have opined that there is no good case to file an appeal. The matter was discussed in the 240th Board Meeting held on 26-Jun-2015 and the Board advised the Managing Director to refer the matter to High Power Committee constituted under the Chairmanship of ACS to Govt. Accordingly, directions have been sought from the Commerce & Industries Department to refer the matter to High Power Committee and directions from department is awaited.

On 22.05.2019 a meeting was held under the Chairmanship of Principal Secretary, Commerce and Industries Department to discuss on the matter in the presence of Managing Director of the Company and General Manager- Department of Information Technology and Bio Technology(ITBT).After brief discussion, the Deputy Secretary, Commerce and Industries Department informed the Chairman that the High Power Committee is not in existence and therefore, the matter could not be referred to the said committee. The Managing director, MC&A informed the Chairman that he discussed over phone with the Director, ITBT and he mentioned that the Director, ITBT would pay the outstanding amount if relevant documents are provided as it is already discussed by the Committee on Public Sector Undertakings. Accordingly, the Chairman instructed the Managing Director to take further action. On 13.08.2019, a letter has been sent to the Director, ITBT to take further action and reply is awaited.

Trade Receivables include Rs.941.29 lakhs (Previous year 31st March 2020, Rs.893.58 lakhs) which are received through RTGS directly to Company's bank account for which no information is available as on Balance Sheet date. Accordingly the Company is not in a position to analyse the Trade Receivables ageing schedule appropriately.

Allowances for Doubtful Receivables :- The management has estimated the Trade Receivables outstanding for a period more than three years from the date they are due for payment which are considered doubtful and provided for. The allowances of Rs.2734.29 lakhs (Previous year 31st March 2020, Rs. 1500.21 lakhs) has been made in books of account.

	Total	**56,451.17**	**50,631.99**
	Non-Controlling Interest	(37.51)	(37.64)
	Nature of reserves		
(a)	**General reserve**		
	The General reserve is created by appropration from retained earnings. As the General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the General reserve will not be reclassified subsequently to statement of profit and loss.		
(b)	**Wholly Owned Subsidiary - Marketing Communication and Advertising Ltd**		
	As per the provisions of Companies Act 2013, Share application money should be allotted to the respective shareholders within 60 days from the date of receipt otherwise the same should be returned to them within 15 days. The share application money pending allotment represents 8% of turnover for the years 2002-2003 & 2003-2004 aggregating to Rs.345.74 lakhs Government Order No. C18 CMI 2003 (PUC), Bangalore dated 31-Mar-2003 & 29-Apr-2004 directs to issue of Equity Shares to Government of Karnataka (GOK) for this amount. The Company in this regard has made a representation to the GOK towards paying 10% Net profit to Govt. in lieu of shares and to drop the proposal of payment of Business Development Cost [BDC] @ 8% turnover from 2002-03 & 2003-04. The matter is pending before GOK & orders in this regard is awaited. The Company has sent proposal to GOK requesting to reconsider the earlier orders and withdraw the orders on BDC. The response from GOK is awaited.

Attrition Rate (100 bps movement)	0.39	(0.41)	0.43	(0.45)

Description of risk exposures

Valuations are performed on certain basic set of pre-determined assumptions which may vary over time. Thus, the Group and Associate are exposed to various risks in providing the above benefit which are as follows:

Interest rate risk	The plan exposes the Group and Associate to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of liability (as shown in financial statements).
Liquidity risk	This is the risk that the Group and Associate are not able to meet the short term benefit payouts. This may arise due to non availability of enough cash/cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.
Salary escalation risk	The present value of the above benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase in salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
Demographic risk	The Group and Associate has used certain mortality and attrition assumptions in valuation of the liability. The Group and Associate is exposed to the risk of actual experience turning out to be worse compared to the assumption.
Regulatory risk:	Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (for example, increase in the maximum liability of gratuity to INR 20 lakhs).
Investment risk	The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.
Asset liability mismatching or market risk	The duration of the liability is longer compared to duration of assets exposing the Group and Associate to market risks for volatilities/fall in interest rate.

37. Capital management

The Group and Associate's capital management is intended to maximise the return to shareholders for meeting the long and short term objectives of the Group and Associate through the leveraging of the debt and equity balance

The Group and Associate's determine the amount of capital required on the basis of annual and long-term operating plans and strategic investment plans. The funding requirements will be met through long and short term borrowings. The capital structure on the basis of debt to equity ratio and the maturity of the overall debt is monitored as part of Capital management strategy.

The following table summarises the net debt to capital ratio:

Particulars	31 March 2021	31 March 2020
Total equity	60,687.14	54,867.83
Debt	174.56	174.56
Cash equivalents including other bank balances	37,348.76	31,110.88
Net debt	174.56	174.56
Total capital (Equity + Net debt)	**60,861.70**	**55,042.39**
Net debt to capital ratio	-	-

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2021 and 31 March 2020.

38 Financial risk management

The Group and Associate's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement
Credit risk	Other bank balances, trade receivables, investment carried at amortised cost, loans, other financial assets and financial guarantees	Ageing analysis and recoverability assessment
Liquidity risk	Other financial liabilities & collaterals taken as security	Rolling cash flow forecasts
Market risk – foreign exchange	Recognised financial assets and liabilities not denominated in INR	Sensitivity analysis
Market risk – security prices	Investment in equity securities	Sensitivity analysis

i Credit risk

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the business of the Group and Associate. The Group and Associate is exposed to credit risk from its operating activities (predominantly trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Credit risk management

Customer credit risk is managed by each business unit subject to the Group and Associate's established policy, procedures and control relating to the customer credit risk management. The Group and Associate uses financial information and past experience to evaluate credit quality of majority of its customers and individual credit limits are defined in accordance with this assessment. Outstanding receivables and the credit worthiness of its counter parties are periodically monitored and taken up on case to case basis. There is no material expected credit loss based on the past experience. However, the Group and Associate assesses the impairment of trade receivables on case to case basis and has accordingly created loss allowance.

The credit risk on cash and bank balances is limited because the counter parties are banks with high credit ratings assigned by accredited rating agencies.

The credit risk of the financial assets is managed based on the following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

Classification of financial assets under various stages

The financial assets are classified in three stages having the following characteristics:

Stage 1: unimpaired and without significant increase in credit risk since initial recognition on which a 12-month allowance for ECL is recognised;

Stage 2: a significant increase in credit risk since initial recognition on which a lifetime ECL is recognised; and

Stage 3: objective evidence of impairment, and are therefore considered to be in default or otherwise credit impaired on which a lifetime ECL is recognised.

All financial assets are deemed to have suffered a significant increase in credit risk when they are 30 days past due (DPD) or one instalment is overdue on the reporting date and are accordingly transferred from stage 1 to stage 2. For stage 1 an ECL allowance is calculated based on a 12-month point in time (PIT) probability of default (PD). For stage 2 and 3 assets a life time ECL is calculated based on a lifetime Probability of default.

The impairment on financial insturments under ECL approach is calculated as prescribed in Ind AS 109 ‘Financial instruments’. ECL uses three main components: PD, LGD (loss given default) and EAD (exposure at default) along with an adjustment considering forward macro economic conditions.

Financial instruments other than Loans were subjected to simplified ECL approach under Ind AS 109 ‘Financial instruments’.

38 Financial risk management contd.

Credit risk exposure

Provision for expected credit losses

The expected credit loss is provided based on 12 month and lifetime expected credit loss basis for following financial assets:

31 March 2021

Particulars	Estimated gross carrying amount	Expected credit losses	Carrying amount net of impairment provision
Trade receivables	16,499.15	(3,547.90)	12,951.25
Cash and cash equivalents	11,797.91	-	11,797.91
Other bank balance	25,550.85	-	25,550.85
Other financial assets	22,401.66	(1,208.32)	21,193.34

31 March 2020

Particulars	Estimated gross carrying amount	Expected credit losses	Carrying amount net of impairment provision
Trade receivables	21,721.19	(2,625.96)	19,095.23
Cash and cash equivalents	8,689.37	-	8,689.37
Other bank balance	22,421.51	-	22,421.51
Other financial assets	20,598.01	(338.01)	20,260.00

Reconciliation of loss allowance provision - Trade receivables, Loans and other Financial asset

	Trade receivables	Other financial asset
Loss allowance on 31 March 2020	(2,625.96)	(338.01)
Allowance for expected credit loss	(921.94)	-
Reversals/ written off during the year	-	(870.31)
Loss allowance on 31 March 2021	(3,547.90)	(1,208.32)

ii. Liquidity risk

The liquidity risk is managed by maintaining adequate reserves and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Management monitors rolling forecasts of the liquidity position and cash and cash equivalents on the basis of expected cash flows, considering the liquidity of the market in which the entity operates. In addition, the Group and Associate's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Maturities of financial liabilities

The tables below analyze the financial liabilities into relevant maturity groupings based on their contractual maturities for all financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows.

31 March 2021	Less than 1 year	1 year to 5 years	5 years and above	Total
Non-derivatives				
Trade payables	17,086.03	-	-	17,086.03
Lease liabilities	731.08	666.18	-	1,397.26
Other financial liabilities	17,856.51	2,178.20	-	20,034.71
Total	**35,673.62**	**2,844.38**	**-**	**38,518.00**
31 March 2020				
Non-derivatives				
Trade payables	20,865.41	-	-	20,865.41
Lease liabilities	766.17	956.31	1.26	1,723.74
Other financial liabilities	15,082.98	2,048.06	-	17,131.04
Total	**36,714.56**	**3,004.37**	**1.26**	**39,720.19**

38 Financial risk management contd.

iii Market risk
a. Foreign currency risk

The Group does not carry any asset or liability denominated in Foreign curreny and hence is not exposed to currency risk.

b. Price risk

The price risk to equity exposure arises from the investments held by the Group and classified in the balance sheet at fair value through OCI.

Sensitivity

Profit or loss is sensitive to higher/lower prices of instruments on the entity's profits for the periods.

	Particulars	31 March 2021	31 March 2020
	Price increase by 5% - FVOCI	20.54	8.91
	Price decrease by 5% - FVOCI	(20.54)	(8.91)

39. FINANCIAL INSTRUMENTS

FINANCIAL INSTRUMENTS BY CATEGORY

The following table shows the carrying amounts and fair values of financial assets and financial liabilities.

Note no.	Particulars	As at March 31, 2021				As at March 31, 2020

		-	**-**	**38,518.00**	**38,518.00**	**-**	**-**	**39,720.19**	**39,720.19**

Notes to financial instruments

i. The management assessed that the fair value of cash and cash equivalents, trade receivables, loans, other financial assets, trade payables, borrowings and other financial liabilities approximate the carrying amount largely due to short-term maturity of these instruments.

ii The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for financial instruments.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: unobservable inputs for the asset or liability.

		As at March 31, 2021			As at March 31, 2020

41. Contingent Liabilities and Commitments

A For Mysore Sales International Limited (Holding Company)

SL.No	Particulars	2020-2021	2019-2020
i	Guarantees / Counter Guarantees given by the Company to Banks	3,649.29	3,766.46
ii	Insurance Claim on Fire Policy –pending cases	207.73	207.73
	Insurance Claim on Fire Policy –decreed cases	488.70	488.70
	Interest on Insurance Claim	603.07	564.58
iii	Claim made by party in the business of Iron ore Export (including interest)	1,663.11	1,686.58
iv	Claims made by Directorate of Pension, Small savings Asset Monitoring	4,609.86	4,609.86
v	Claim against lease of windmill by Wes care (India) Limited	119.23	119.23
vi	Income Tax Demands	477.12	477.12
vii	Service Tax Demands	197.00	176.76

The above amounts have not been provided as the Company has disputed the claims.

i Bank Guarantees are given for the Income Tax demand relating to TCS on Arrack sales of Rs 3617.49 lakhs and for other business Rs 31.80 lakhs.

The company had made a submission to the Income Tax Department under the Vivad se Vishwas Act 2020 in December 2021 for 9 assessment years from 1995-96 to 2003-04. which has been accepted by the department.

As per the scheme, the company has paid Rs 100.01 lakhs as Income Tax and is yet to receive Rs 812.58 lakhs as refund.

As per the provisions of the Vivad se Vishwas Act, the entire Interest of Rs 306.77 lakhs is waived apart from penalty.

The Bank guarantee of Rs 3617.49 lakhs was cancelled by the Bank on the directions of the Income Tax Department on 02 July 2021.

ii Certain Insurance Companies who had settled the claims of their customers on account of fire accident at BACC owned by company during 2001, have filed several suits against the company for recovery of claims settled by them under the principles of subrogation. The company had finally approached the Honourable Supreme Court against the order of the High Court of Karnataka. The Honourable Supreme Court had directed vide its order dated 6 Nov 2009 that all the parties (company, insurance companies and customs authorities) concerned being Government agencies, they should discuss mutually and settle the matter amicably.

Few cases amounting to Rs 207.73 lakhs (PY: Rs 207.73 lakhs) are still sub judice.

Since in the past on similar matter the lower courts had decided that the company and Dept of Customs are jointly and severally liable for settlement of the insurance claim, the company has provided Rs 162.90 lakh(PY Rs 162.90 lakh) being 25% of the total decreed liability of Rs 651.60 lakhs (PY Rs 651.60 lakhs); the unprovided portion of Rs 488.70 lakhs (PY: Rs 488.70 lakhs) is reported above. In the current year Compound interest at 6% is calculated on an amount of Rs 804.10 lakhs (PY: Rs 752.77 lakhs). An amount of Rs 201.02 lakhs is provided in the current year (PY: Rs 188.19 lakhs) and the balance amount of Rs 603.07 lakhs (PY: 564.58 lakhs) is reported under Contingent liability. Share of settlement by the insurance companies and the Department of Customs are not yet finalised. The Company has insured the cargo lying in BACC warehouse at the rate of USD 20 per KG as per trade circular issued by the Department of Customs.

iii The Company had entered into an agreement to export iron ore to China with Fe content of 52%. As the commitment was not honoured by the company the buyer went for arbitration. An arbitration committee that was formed as per the agreement had passed an award against the company for USD 18,80,851 apart from an interest payable @ 5 %. USD 67,473 is due from the overseas buyer. The claim against the company is Rs 1663.11 lakhs (PY: Rs 1686.58 lakhs) including interest is reported in the table above. The Claims of the overseas buyer in respect of expenses incurred in China and liability under FEMA are not considered here

The arbitration award was contested by the company and it had filed a case in the High Court of Karnataka

In the light of irregularities reported by the Committee on Public Undertakings of the Karnataka Legislative Assembly in the above transactions, the company has filed criminal complaint in the jurisdictional police station and the police are investigating the case. In respect of these criminal complaint police have framed the charge sheet and filed the case before the Magistrate Court, Bangalore.

iv "Directorate of Small Savings: A letter dated 18th November 2020 was received from the Directorate of Pension, Small Savings Asset Monitoring towards short remittance of sale proceeds of lottery and interest on delayed remittance, amounting to Rs 4609.86 lakhs drawing reference to their earlier letters . However the company vide its letter dated 10th December 2020 had communicated that it had earlier remitted a sum of Rs 352.61 lakhs on 17 October 2016 towards full and final settlement of all dues and that no payment is due from the company on this subject. The letter of the company has been acknowledged by the Directorate of Small Savings. However, the amount demanded is reported under Contingent Liability since the claim is from a Government Department."

v A claim was made by M/s Wescare (India) Limited a lessee which was disputed by the company. The matter was referred to an arbitration panel and an award was passed for Rs 119.23 lakhs (PY: Rs.119.23 lakhs) against the Company . The company has filed a case against the arbitration award in the year 2015-16 and the matter is subjudice in the High Court of Madras. This amount is disclosed under contingent liability.

vi As per the Income Tax Department's Order, the following are the tax demands that have not been provided for

Asst Year	Amount (In Rs. lakhs)	Forum where dispute is pending
2010-11	222.27	CIT(A) for fresh consideration
2015-16	15.87	IT Department has filed an appeal against the CIT Order - allowance of Leave Salary
2016-17	147.82	Appeal is pending with CIT (A)
2017-18	91.16	Appeal is pending with CIT (A)
TOTAL	**477.12**	

vii Service Tax

The total amount of Service tax disputed before CESTAT is Rs 290.00 lakhs for various years from 2002-03 till 2016-17. However, the company has deposited Rs 93.00 lakhs against these dues. The balance amount of Rs 197.00 lakhs is shown under "Contingent Liability".

Contractual Commitments

Capital work in progress is Rs 425.86 lakhs. (PY 161.16 lakhs).

Particulars	Commitment	CWIP
Gulbarga Warehouse	327.14	303.04
Software purchase	83.85	62.52
Hardware purchase	41.31	40.30
Mangalore Warehouse	25.00	20.00
	477.30	**425.86**

II Other Notes :

i The Company has entered into Joint Working Agreements [JWA] with HAL & CONCOR to carry out air cargo business. MSIL & CONCOR had withdrawn from JWA with effect from 31 March 2014 and 15 January 2011 respectively. An amount of Rs 163.46 lakhs is due from HAL.

ii Company has also entered into a business arrangement with ESSPL for leasing solar water heaters to non-domestic sector. The business arrangement was closed during the year and the dues of ESSPL was fully settled. The income earned during the current year is Rs 0.03 Lakhs (PY: 0.39 lakhs)

iii The Company had entered into Hire Purchase agreement with government employees (Hirers) for supply of vehicles and consumer durables. The outstanding instalment dues including interest from the hirers is shown under “stock with hirers”. Hire purchase business has been discontinued from July 2008.

iv Balances in the accounts of sundry creditors, sundry debtors, business associates including joint working arrangements and advances/deposits are subject to confirmation and reconciliation. Consequential impact of such reconciliation and confirmation, if any, on the net profit and on the assets/liabilities is not ascertainable.

v Trade Payables include Rs. 2104.63 lakhs (Rs. 2104.63 lakhs) of advances received from various Government departments in respect of contract to supply imported cement.

vi Honourable Supreme Court, vide order dated 13 February 2003 had ordered for the appointment of an Authorised Officer to quantify the commission due to MSIL from Mysore Breweries. The decision of the Authorised Officer to pay Rs 2518 lakhs was disputed by Mysore Breweries and the matter is subjudice

The company has preferred an appeal before the City Civil Court for recovery of the commission. This case is also subjudice.

vii Government Grants

During the current year the Company has not opened any new Jan Aushadi outlet [PY :6 outlets] which are eligible for Government grants. An amount of Rs 68.98 lakhs was received towards Grant for investment in Fixed Assets till date, including all the outlets opened in the previous years.

viii GST recoverable - Beverage Division

An amount of Rs .597.40 lakhs is included under Other Assets Note no 8 being the GST paid on License fees by the Liquor Division during the period April to October 2018. A refund claim has been preferred for this amount. A refund of GST - RCM amounting to Rs 45.98 lakhs is also reported under Other Assets Note no 8.

ix The company had leased 2,565.4 Sq Meter from Airport Authority of India (AAI) at Bangalore Air Cargo Complex (BACC), Bangalore. The lease was renewed for a period of 10 years from 01 Jan 2001 to 2010. AAI has demanded towards Rent of Rs. 228.89 Lakh, Damages of Rs. 167.24 Lakh and interest of Rs. 229.90 Lakh. The company is in the process of negotiating a settlement and provided so far Rs. 228.89 Lakh against the same (PY : Rs. 142.40 lakh). Pending settlement with AAI, the company has provided for the rental demand in full.

x “The company has entered into an agreement with M/s Poseidon FZE, Dubai (Supplier) for import of river sand in 2017. Till date it has imported 1,03,872.77 MT in 2 shipments (Oct 2017 and Jan 2018) and the same was stored at Krishnapatnam Port in Andhra Pradesh. So far, the company has sold 14,759 MT.

The Commissioner of Customs, Vijayawada had passed an order vide no: VJD-CUSTM-PRV-COM-003-20-21 dated 03 Dec 2020, demanding Rs.599 Lakhs towards differential duty, redemption fine and penalty.

The Company has filed an appeal before CESTAT, Hyderabad for setting aside the order of the Commissioner of Customs and the matter is sub-judice in CESTAT, Hyderabad.In this connection the bank has submitted Bank Guarantee of Rs. 11.80 Lakhs.”

xi The company had entered into a lease agreement with Mrs. Nagarathna for a property near their Bangalore Air Cargo Complex, Bangalore. The lease was renewed for a period of 5 years from 2003 to 2008. As there was a delay in vacating the property, the Lessor had approached the Court for recovery of unpaid rent of Rs. 43 lakhs and Interest at 18% of Rs. 16 lakhs (OS no.75/2014). The Hon'ble Additional Civil Judge, Bangalore had passed an order dated 24 June 2019, against the company for recovery of the unpaid rent of Rs. 59 lakhs with the Interest at 18 % from 15 Nov 2011 to 20 Dec 2013. The Company approached the Hon'ble HC, Karnataka and had obtained an interim stay on 21 Oct 2019. As per the court orders the company has deposited Rs. 50 lakhs with HC (RFA 1704/2019. The matter is subjudice in the High Court of Karnataka.

xii The Company holds sand measuring 6,826 Tons belonging to the purchaser Ocean Agencies, out of the sale of 10000 MT

B For Marketing Communication and Advertising Limited (Wholly Owned Subsidiary)

Commitments

a) Bank Guarantees Rs.101.64 lakhs (Previous year 31st March 2020, Rs.78.79 lakhs) are guarantees issued by bank to Prasara Bharathi, Department of Horticulture, Karnataka Road Development Corporation, PWD Mysore Dasara towards business for which the Company is contingently liable. These guarantees are issued against the pledge of Bank Deposits worth Rs.101.64 lakhs.

Contingent Liablilies

b) The Company has preferred a Special Leave Petition before the Hon'ble Supreme Court [Civil Appeal No (s). 9320/2010] against the Order of the Hon'ble High Court of Karnataka upholding the Labour Court's decision directing the reinstatement of an erstwhile employee late Mr.H S Hanumanthaiah with 25% back wages from 23-Jul-1984. During the year the Supreme Court of India vide order dated 12-Oct-2017 has opined that there is no merit in the matter. In addition the appeal against the respondent was abated. Consequently, the appeal stands dismissed as abated. The Company sought opinion from the Advocate regarding further course of action to be taken by the Company as per the Order of the Hon'ble Supreme Court of India. The Advocate has opined that the special leave petition has been disposed of recording the fact that the respondent has died during the pendency of the appeal. If and when any claim is made on his behalf, by his legal representatives or survivors, at the stage, further opinion may be sought as to the course of action to be pursued in the matter. Till now, Company has not received any claim from his legal representatives or survivors.

c) The Company had debited Business Development Cost at 8% of its turnover from Financial year 1997-98 to 2003-04 against specific Government Orders [Govt.Order No.CI29 CMI 2000[PUC]. However from Finanicial year 2004-05 to 2020-21, no specific Government Orders were received by the Company and hence the same was not provided. In the Financial year 2016-17, the Company has requested to the Government of Karnataka [GOK] to consider Business Development Cost at 10% of the Net profit from financial year 2002-03 to 2015-16 and the order from Goverment of Karnataka in awaited.

d) On 28.05.2019, Company received a Legal Notice from the Advocate V. B. Shivakumar on behalf his Client M/s Monuments Advertisers Pvt., Ltd., for payment of Rs.57.18 lakhs. In the said legal notice, a copy of the Order dated 24.04.2019 of the Hon'ble High Court of Karnataka passed in Writ Petition No.478887/2018. The said Writ Petition was filed by the Managing Director, M/s. Monuments Advertisers Pvt., Ltd., against the State of Karnataka , The Managing Director, Karnataka Udyoga Mitra and the Managing Director, Marketing Communications & Advertising limited for recovery of Rs. Rs.57.18 lakhs. In the said Order, the court has directed the company to consider and decide the claim of the Petitioner with regard to amount of Rs.57.18 lakhs by speaking order within a period of two months from the date of receipt of the certified copy of the order. But company did not receive the order either from the Court or the Government Advocate or court notice for appearance or submission of objections. It is observed from the Order of the court that the Court felt that it is not necessary to issue notice to respondent Karnataka Udyoga Mitra and Marketing Communications & Advertising limited.The company has sent a reply to the Legal notice denying the liability until the payment is received from Karnataka Udyoga Mitra as company did not issued the work order for execution of the said work.

e) The Company has the following Income Tax demands pending for various Financial Years i.e., for Rs 14.11 lakhs (2001-2002),Rs 0.64 lakhs(2003-2004), Rs 0.60 lakhs(2004-2005),Rs 26.38 lakhs(2005-2006), Rs 14.18 lakhs(2007-2008), Rs 0.24 lakhs(2008-2009), Rs 1.57 lakhs(2008-2009), Rs 2.85 lakhs(2012-2013), Rs 0.38 lakhs(2014-2015), Rs 0.07 lakhs(2015-2016), Rs 0.15 lakhs(2016-2017), Rs 0.86 lakhs(2017-2018), Rs 3.95 lakhs(2018-2019).

f) During the FY 2019-20 Service Tax Audit was conducted by department of revenue .The audit was conducted for the period October 2016 to June 2017. It has been determined during the course of audit by the audit team that the company has not paid service tax on additional trade discounts / incentives received from various publication houses.The total demand raised by the department in this regard is Rs.79.12 lakhs.Out of the total demand amount 10% i.e Rs. 7.91 lakhs has been paid as deposit to the Appellate Authority during the FY 2020-21.

Other Notes

g) **Charging of Business Development Cost:**

The Company has neither charged nor provided for Business Development Cost for the year under audit as there was no Government Order to that effect. The last Government Order received on 29-Apr-2004 for the financial year ended 31-March-2004. Hence no Business Development Cost was charged from financial year 2004-05 onwards. Thus for the year under Audit, the Company has not changed its earlier stand.

h) Vide Board meeting dated June 18, 2019, noted over due collection of Rs. Rs.39.29 lakhs by Mr.M.S.Patil, the branch Manager, Vijayapura from the client Public Works, Ports and Inland Water Transport Department, Vijayapura. Accordingly, FIR had been registered with the Jalanagar police station, Vijayapura on 30.5.2019. During the year the said FIR has been withdrawn consequent ot the recovery of Rs 39.29 lakhs .However as informed the departmental enquiry intiated through public servant(Retired Judge) is yet to be disposed.

i) **Trade Receivables and Trade Payables confirmation**

Balance of trade receivables and trade payables along with the below mentioned accounts have not been confirmed from the counter parties. The financial impact of this non-compliance, if any, could not be determined.

The Position of total balances, confirmed balances and percentages of unconfirmed balances are given below:

Particulars	Amount as per books (Rs in lakhs.)	Amount for which Confirmation received and reconciled	% of Unconfirmed amount
Trade Receivables	11,145.72	290.13	97.40%
Trade Advances	327.75	-	100.00%
Trade Payables	6,788.42	-	100.00%
Advance from Customers	169.55	-	100.00%

j) The standalone financial statements of the Company approved by the Board of Directors and Statutory Auditors on 26.10.2021 were revised in accordance with observations made by the Comptroller & Auditor General of India during Supplementary audit under section 143(5) of the Companies Act, 2013. The Company has revised the accounts to incorporate restatements and reclassifications as detailed below:

C For Mysore Chrome Tanning Company Limited (Subsidiary)

Contingent Liabilities

a) As the Deputy Commissioner of Income Tax (Assessment), Special Range -4, Bangalore has gone on an appeal to the Hon'ble High Court, Bangalore against the orders of Income Tax Appellate Tribunal, Bangalore for the assessment year 1990-1991, there is a contingent liability of Rs.0.11 lakhs towards the additional income tax.

b) Interest accrued on loans from MSIL, KSIIDC and Government of Karnataka has not been acknowledged as debt from April 1999 and therefore has not been recognized as a liability in the Balance Sheet. The Company has approached them for waiver. The liability understated is to the extent of Rs. 132.13 lakhs (Rs. 126.65 lakhs).

Other Notes

c) Legal proceedings have been initiated for recovery of compensation amount from Bangalore Development Authority, Bangalore, on land for an area of 5,777 Sq. Yds acquired for road purpose.

d) The Government of Karnataka in its order No. CI47 CIS 91(ii) Bangalore dated 31st October 1991 has ordered for closure of the Company. Modalities are being worked out by the Company in consultation with the Government.

e) Secured and unsecured loans under Non-current liabilities & Current Liabilities and Short-term advance under Current assets are subject to confirmation.

42. Segment Information

Disclosures pursuant to Ind AS - 108

The parent has determined following reporting segments based on the information reviewed by the Group and Associate's Chief Operating Decision Maker ('CODM') i.e., the Managing Director :

a) Paper division deals in both Note Books and Stationery

b) Sale of liquor is reported under Beverages Division

c) Others include Chit operations, Consumer & Industrial Products, Pharmaceutical products, Export & Import operations and Tours & Travels.

The above business segments have been identified considering:

a) the nature of the products and services

b) the differing risks and returns

c) the internal organisation and management structure, and

d) the internal financial reporting systems.

The management monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Income taxes are managed at an entity level and are not allocated to Operating segments.

The information relating to Marketing Communication and Advertising Limited and The Mysore Chrome Tanning Company Limited is reported in the column Subsidiaries.

44 Impact of COVID- 2019

The Group has considered the possible impact of COVID-19 on the carrying value of assets using the internal and external sources of information to assess the expected future performance of the Company. The Group expects that the carrying amount of assets reported in the balance sheet as of 31 March 2020 are fully recoverable. The management has also estimated the future cash flows with the possible effects that may result from the COVID-19 pandemic and does not foresee any adverse impact on realizing its assets and meeting its liabilities as and when they fall due, therefore there is no impact on the going concern assumption.

45 Events occurring after the reporting date

No adjusting or significant non-adjusting events have occurred between 31 March 2021 and the date of authorization of these financial statements.

46 The previous year figures have been reclassified to conform to the current year's classifications, wherever necessary.
